ASSHOLE OF THE MONTH

Is Anne Heche really a shit-seeping crap hatch, or does she just play one on TV? Despite the rat-faced blonde's meager thespian talents, the answer is both.

A borderline actress whose work is described by professionals as "inarguably bad," "abominable" and "lackluster," Heche, 32, has paralleled her filmography with a series of off-screen performances, each more rancid than the last. The most consistent aspect of slimy Anne's portrayals is her need to leave behind a coiled pile of crap before slithering on to her next transmogrification. Heche's trail of turds leads to America's Magazine, where the shit actor has picked up a gig as HUSTLER's January 2002 Asshole of the Month.

A pinch-lipped, straight nobody until 1997, known primarily as the chick who used to fuck older comedian Steve Martin, Heche burbled up from Hollywood's sewers after bedding celebrity dyke Ellen DeGeneres, whose rug-muncher status was among the worst-kept secrets in show biz. At the time, DeGeneres was preparing to out herself, a maneuver that earned the TV lesbo a *Time* cover story. Heche claimed to have "had no idea" of the coming PR blitz when she sacrificed her dyke cherry to Ellen. Laughable as the notion that a starfucker had unwittingly sucked up to a cuntload of free publicity might be, this professed ignorance has been Heche's most credible assertion to date.

Dyke poster girls Ellen and Anne announced their relationship on *Oprah*; Heche further detailed her newfound taste for clam to *People*

ANNE HECHÉ

magazine. The gash gobblers offered their fish-breathed voice of support at numerous gay-rights rallies. After poking her private life in the public's eye like a gleet-coated finger, Heche claimed offense when the masses noticed. "People made such a big deal out of it," Heche huffed. "I mean, like, why would you care who I'm falling in love with?"

Shunning the spotlight to the very end, Heche and DeGeneres trumpeted their breakup in a statement to the *New York Daily News*. "We hope everyone will respect our privacy through this difficult time," the notice pleaded. More than ready to comply, America was given one day's respite before Heche pushed

herself into the headlines anew.

Heche's August 2000 meltdown in rural Cantua Creek, California, during which she told local deputies "that she was God and was going to take everyone back to heaven," should have been a good omen. The actress, assumed many good people, would soon be too busy with electroshock therapy to harass the general populace. Alas, Heche was merely replacing her clit-nuzzling shtick with a basket-case routine.

Hapless viewers who stumbled across September 5's *20/20* witnessed Heche babbling in tongues and telling host Barbara Walters, "He raped me; he fondled me, he put me on all fours, and had sex

with me." Was the simpering tart shamelessly, exploitatively describing Ellen's lovemaking technique?

No such luck. Heche was promoting her new book, *Call Me Crazy*. The tome's most evident mental illness is the delusion of relevancy that made Heche think honest readers should pay \$25 to read her self-obsessed prattle. "I believe I went through a period of my life that was insane, and it lasted 31 years," Heche posits, laying blame on her father, a closet fag who she claims molested her "from before I was able to speak until I was 12 years old." Queer old dad, who died of AIDS in 1983, is unavailable to defend himself.

Swallowing kooky Anne's molestation nugget requires a reality break equal to Heche's. Readers must first dismiss the author's own admission that she doesn't "know for sure" if the abuse occurred. Heche's sister and mother outright deny Annie's allegations. It may be their word against hers but, given Heche's avowal that DeGeneres was "the most ravishing woman I had ever seen," the smart bet is obvious.

"I wrote this book to say goodbye once and for all to my story of shit and shame," Heche scribbles. But not before saying "hello again" to her alleged trauma on *20/20*, *Larry King Live*, *Late Night With Conan O'Brien* and *Today*.

Anne Heche is immune to shame. The entire run of her book, torn out page by page, couldn't begin to wipe away the shit that perpetually dribbles from her maw. *Call Me Crazy*? Sure, Anne—if by *crazy*, you mean "Asshole."

FART IN THE WIND

Rev. Jerry Falwell: Leave it to Christian extremist Falwell to respond to September 11's tragedy with a sentiment worthy of the Taliban, then retreat with a cowardice akin to the Twin Towers terrorists. Appearing on Pat Robertson's *700 Club*, Falwell blamed the New York and Washington attacks on the ACLU, femi-

nists and queers. "God continues to lift the curtain...to give us probably what we deserve," Falwell blustered. "I point the finger in their face and say, 'you helped this happen.'" Called on his bullshit, Falwell quibbled that his forthright assertions had been taken "out of their context." The context is clear: Falwell is a

conniving, traitorous fuck who seeks to fragment America precisely when unity is needed. He is to Christianity what Osama bin Laden is to Islam, only less principled. His very existence refutes his rants; if the Almighty was vengeful, He would have annihilated Falwell's billous Asshole long ago.

Wild Skin

Kicking glossy fantasy girls to the curb, photographer Carlos Batts captures raw, female carnality in *Wild Skin* (Edition Reuss). Batts has spent the past decade lensing models for XXX videos, box covers and magazines, including *HUSTLER LEG WORLD*. With *Wild Skin*, the lensman eschews silicone tits and landing-strip muff patches for a variety of female forms: tall, squat, natural, shaved, barely-legal fresh or mangled, pierced and tattooed.

Assembling an amazing collection of young, voluptuous fetish chicks, lanky Nubian knockouts and slutty, smut-flick hopefuls, Batts demonstrates that a photographer can be a fine artist and a heterosexual. Despite the bright pink, blue and yellow lights Batts splashes across his subjects' asses, the grunting, pissing, vibrator-humping girls of *Wild Skin* provide the book's real illumination.

A German import, *Wild Skin* is available at www.lastgasp.com.

Man enough to tame the carnal creatures of *Wild Skin*?

Clara Bone, the original "Clit Girl," was an overnight sensation with the debut of the first XXX film, *Roast-Beef Flapper*.

Done Truckin'

I'm a long-haul truck driver. I spend my time transporting produce from coast to coast. The November 2001 issue of HUSTLER really caught me off-guard. I was so enraptured by Destiny (*Destiny: Beautiful Reamer*) that you could have pushed me over with a feather. Her beauty made me realize that life is too short to spend alone. I may never find a girl as lovely as Destiny, but she has given me hope for living again. As I write this letter, I am finishing my last trip in the trucking industry. I've lived through the deaths of three colleagues and have decided that I don't want to join the statistics. Thank you, HUSTLER, for inspiring me to change my life and giving me a new reason to live.

Another Destiny

Destiny is one smokin' piece of ass (*Destiny: Afrolicious*, December 2001 HUSTLER). It's about time we saw more diversity in your magazine. If I could nail any Honey, Destiny would be my first choice. Do me a favor and put that fine lady in a boy/girl set so I can see her pretty slit stretched wide.

—C. V.
Akron, Ohio

In two consecutive months, HUSTLER featured two completely different Honeys named Destiny. The Nubian half of the pair has already been plowed in a hard-core set, C. V. Check out *Destiny and Lee: Give Up the Gunk* in the June 2001 HUSTLER.

Oh, Terri!

This month's HUSTLER Honey is one of my all-time favorites (*Terri: In the Pink*, December 2001). I love how it looks like you caught Terri off-guard in the first picture, but it's the centerfold that

makes this layout a true classic. Nice work, fellas. Terri's fold-out spread has a permanent place on my bathroom wall.

Cream Come True

Geez, HUSTLER, your hard-core photo-sets really do the trick. I love the fact that you guys show full penetration, but the nasty facials are the icing on the cake. I love Nicole's sick-chick expression as she catches Voodoo's load on her snaky tongue (*Nicole and Voodoo: Anal Witchcraft*, December 2001). Keep spattering babes with sperm, HUSTLER, and I'll keep reading.

—R. J.

You should have seen the look on Nicole's face when Voodoo shoved his huge schwanz into her shitter. Talk about expressive.

If I was the lucky fucker taking snapshots of Alexis from Chicago, Illinois, for *Beaver Hunt* (December 2001 HUSTLER), my dick would have been in that juicy, chocolate cooze before the camera was finished winding. Give me some love, HUSTLER; make Alexis a finalist.

Yellow Submarine?

I love piss pics and read HUSTLER every month because you always provide gallons of pee. After reading the story about underwater hard-core flicks (*"Stroking in the Deep End," Erotic Entertainment*, December 2001), I started thinking about how great a current of hot, yellow pee would look spreading through the water. How about snapping some shots of submerged urination?

BURLESQUE'S REBIRTH

BALLSY BROADS
STRIP FOR
FUN AND ART

REPORT BY JULIEN NITZBERG
PHOTOGRAPHY BY ANNA CURTIS

Originally, **burlesque was a cheap variation of vaudeville**—a variety show with comics, magicians and singers. According to legend, burlesque transformed into a venue to see striptease acts when dancer Hinda Wassau's inner garment became caught on her outer vestment. Not having enough time to change backstage before the next song began, **Wassau was forced to wiggle out of her costume in front of the audience.** In another origin myth, Wassau's costume came loose onstage as she shimmied. **In both versions, the spectators went wild.** Soon after, burlesque queens toured the nation as headliners, appearing in *Life* magazine as often as movie stars. But eventually, **elaborate glitz and glamour gave way to the lap-dancing and pole-polishing** of contemporary stripperdom.

Six years ago, **an underground revival of burlesque was born in Los Angeles** when a big-titted vixen named Michelle Carr founded the **Velvet Hammer**. A lover of vintage clothing and '50s men's mags, Carr wondered why the **modern breed of coochie dancers chose neon thongs and pink pumps** over sequin gowns and tantalizing tassels. Carr's stripper friends explained that, when they attempted to replace the spandex and Aerosmith tapes with anything offbeat, their tips noticeably declined.

After one too many Jim Beam and Cokes, **Carr decided to begin stripping in the old-school way**, and to convince as many of her friends as possible to join her. The Velvet Hammer girls studied videos of burlesque pioneers and spent time at the high-heeled feet of original performers such as Dixie Evans. Swing revivalists supplied live music, and an emcee provided comedy between acts.

Girls rechristened themselves with show names such as **Luv Cañon**, **Valentina Violette** and **Señorita Bunbypants**. As with classic burlesque, the stripping always told a story, and emphasized humor and attitude. Instead of the aerobized, surgically enhanced strip-club ideal, **the girls comprised (for better or worse) a variety of body types.**

Within a year, the Velvet Hammer was selling out 700-person theaters. Legendary figures such as '50s glamour queen **Mamie van Doren** joined their performances. The Velvet Hammer inspired others; suddenly, all over America, troupes of women were showing off their God-given gifts, **not for money, but for the sheer hell of it.**

After seeing the Velvet Hammer in San Francisco, a lady who goes by the name Baby Doe created her own dance troupe, the **Devil-Ettes**. Whereas the Velvet Hammer took its inspiration from burlesque, the Devil-Ettes, who perform elaborate group numbers, are more apt to **resemble a hipster version of the Rockettes** or an off-kilter drill team.

After a performance at the Las Vegas Grind, a '60s garage-rock convention, Doe met journalist Alison Fensterstock. Discussing the incredible proliferation of new burlesque troupes, they came upon the idea of organizing an event where

the different groups could meet, perform and talk shop. Thus was born **Tease-O-Rama, the first ever burlesque convention.**

Twenty acts from all over the country performed to more than 2,000 people at the New Orleans extravaganza, held May 18-20, 2001. From nine at night until four in the morning, **titties were everywhere in a mind-numbing show of force.**

Louisiana's own Shim Shamettes presented the most authentic re-creation of the historical burlesque experience. Lorelei Fuller, the group's founder and artistic director, resurrected Kitty West's Evangeline the Oyster Girl act. To the audience's delight, **Fuller emerged from a gigantic oyster shell and danced with a bowling-ball-sized pearl**, proving that the famous seafood number had retained its freshness.

The Shamettes' set demonstrated why frugal club owners were more than happy to replace burlesque with a jukebox and a bunch of girls in Day-Glo underpants; their show employed 34 people, including four stagehands.

Carr, of the Velvet Hammer, estimates that putting on one of her full-scale spectacles costs \$10,000. The huge budgets of elaborate stagings are the major impediment to burlesque's full rebirth.

Velvet Hammerite Rita D'Albert, who disrobes under the name Ursulina, confides, **"I'm probably the dumbest stripper ever. I take my clothes off and, after costume and travel expenses, I lose money."**

Only one dissenting voice has spoken out against our recent spate of pee pics, and that vote belongs to Scruffy, our studio janitor. Scruffy's sick of mopping up puddles of urine and swears that he'll tender his resignation if he has to treat the pool. Scruffy, you'd better polish up that resumé.

Twisted Mister

I'm writing in regard to your video series *Mr. Beaver Checks In*. I really enjoy both the zany antics of Frank Thring and the hard-core action provided by his spectacular international cast. I can really relate to his misadventures. Once in Panama City, Panama, I picked up a beautiful, olive-skinned vixen, took her back to my hotel room and banged her all night long. Claudia's pussy drips, hoping to rouse her boyfriend's thirst for wet cunt.

"Eat it!" the quivering nymph implores, demanding satisfaction.

Growing tired of the needy cunt after a few laps, Billy slobbers on his girlfriend's shitter and wedges his slick shaft past her sphincters. **"Oh, God!"**

Nazi Punks, Fuck Off

Your magazine is a lot of fun, but what's up with the racial violence? I refer specifically to the cartoon in the September 2001 HUSTLER that featured a pair of skinheads attacking black men. You publish a girlie mag. Stick to babes and funny cartoons. Fuck the hate-satire bullshit. —A. C.

Harder, They Come

I recently opened a HUSTLER for the first time in five years. What a transformation! I used to finish myself off to the explicit phone-sex ads in the back of your magazine, but they don't hold a candle to your hard-core pictorials. As it stands, HUSTLER is the best porn publication that I've ever seen. I'm subscribing immediately. —C. M.

Girls don't need to be completely shaven to be beautiful. In the past I've been attracted to girls with hairy arms and legs. Don't make your models shave, HUSTLER. They're just fine the way God made them. —J. M.
via Internet

Muff Man

You guys must assume that men prefer that women shave their crotches bald. That's just not true. I think that many men have been brainwashed by magazines like yours into thinking that hairless coochies are sexy. I am a hetero-

sexual young man who loves a nice patch of pubes. There are lots of us who think that a mound of cunt fuzz is sexy. Bring bush back to HUSTLER! —P. S.
Cheyenne, Wyoming

Enough from the bush league already. HUSTLER never demands that models shave. We love pubes as much as the next guy. The fact is, bare pussies are all the rage right now. Most girls come to us already shorn and ready to go. We'll take them either way; what really matters is the pink stuff under the fur.

Man's Other Best Friend

Five years ago I developed narcolepsy. The VA hospital gives me amphetamines so I don't fall asleep all the time. The drugs also make me extremely horny. My wife left me because she was losing too much sleep. The poor thing also couldn't keep up with me sexually. I'm pretty lonely now, and the lovely girls in HUSTLER are my only company.

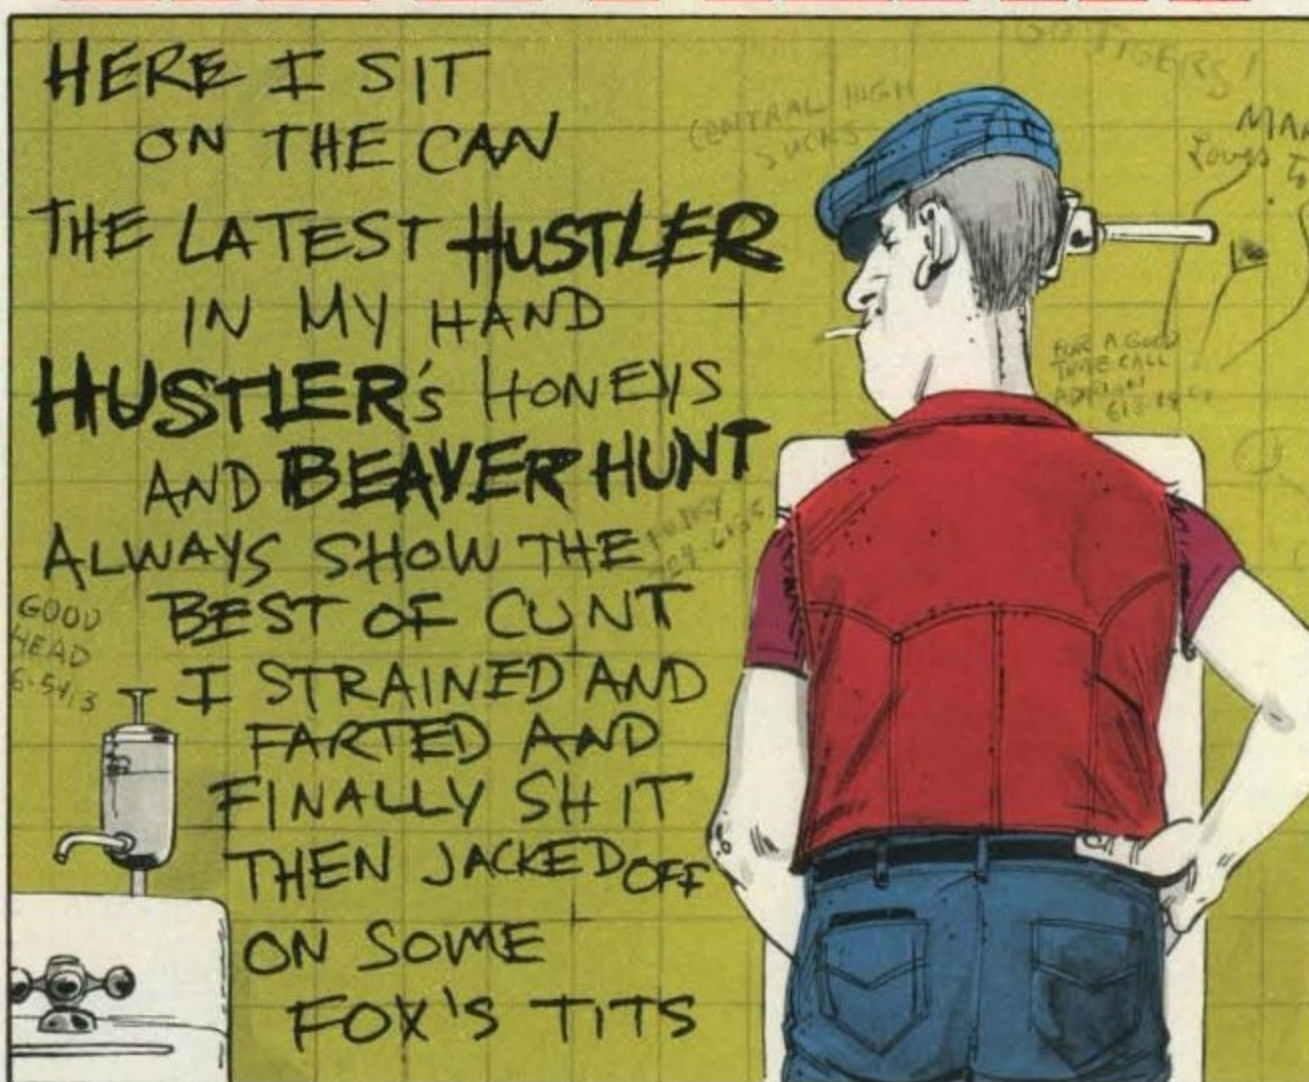

Thanks for printing such a great magazine. HUSTLER's the only pussy I'll have for a long time. —M. C.

Sense and Insensitivity

I'm writing in response to the concerned readers who complained about the Dale Earnhardt cartoon in Feedback ("Car 'Toon Calamity" and "Crashing Popularity," October 2001 HUSTLER). It's mind-boggling to me that people knowingly buy a porn magazine, then have the balls to complain about the appropriateness of what's inside. Tell those knuckleheads to fuck off. Readers such as myself appreciate what you guys do. People who don't shouldn't be allowed to breed. —J. S.

Hot Letters

Gimme a 6! Gimme a 9!

I won't give you names and places, because—while everything I did was legal—I live in Mormon country and could lose my job. In my defense, all the girls in the shower were at least 18.

I'm a 33-year-old dyke who coaches basketball and mentors the cheerleading squad at a prominent college. On game days both groups hit the showers at the same time, and I'm swimming in toned girl flesh whenever I give notes.

After a terrific season, we'd lost early in the playoffs. Marie, a dark-haired cheerleader with fluffy hair and a tiny waist, saw me checking her out as the water cascaded off her neatly trimmed triangle of jet-black muff. Five minutes later, she was sprawled across my desk, the fragrance of her still-damp burger overpowering the smell of deodorant soap.

Having trained Marie to perform a split at the top of a human pyramid, I wasn't surprised when the naked pixie effortlessly spread her legs and locked them behind her shoulders. I spun her 180 degrees and mounted her, clothed, in a 69 formation. The raven-haired pep girl bit my crotch through my pantsuit, setting my groin on fire. I helped myself to a faceful of moist taint while my flexible protégée yanked away my trousers.

"You have a beautiful pussy," Marie murmured. I heard her voice and felt it buzz against my labia at the same time. My cooter wept a viscous tear of joy and ground into her pert nose.

I concentrated on the juicy peach before me. The folds were dark and meaty and resistant to the tooth. I ventured a nip at her protruding hood, and noted the sea change in Marie's musk from fresh to funky. My index finger slithered past her rubbery outer lips into a pot of squishy tuna that gripped my digit.

We licked, slurped and diddled each other as only two serial Sapphists in great shape could. Ab crunches come easily to girls who practice mutual rug-munching.

Marie's damp body clung to mine. A

thin burble of ejaculate gushed around my finger and beaded on her black fuzz. I clamped my thighs together over her snuffling nose, hurrying myself to a climax that met hers. Marie giggled, rolled out from under me, and we stood.

Let's say my name is Lezbie Ann. (We clam-slappers have a hearty sense of humor, contrary to our depiction in your otherwise excellent magazine.) Marie moaned, "Lezbie, Lezbie—I have a surprise for you!"

I'm not closeted, but I try to be discreet at work. Usually, I cut a girl away from the pack and make my advances when we're alone. There are rumors about my lifestyle, but a woman coach never escapes that sort of speculation. Should the administration take action, it's my word against my conquest's, and only a dozen or so girls know the coach chews ruby fruit. Or so I thought.

I ventured a nip at her protruding hood, and noted the sea change in Marie's musk from fresh to funky.

The crack-snacking cutie reached up to remove my damp clothing, until I was as naked as she was. She led me to the locker-room door and knocked twice. Two sharp raps came in reply.

Bouncy Marie threw open the door and, lo and behold, the cheer-girls and basketballers were unclothed, in the locker room. Twenty-two fresh-scrubbed faces grinned at me.

I never thought this sort of thing happened in real life, but my teams burst into spontaneous applause.

Marie beamed, telling me what every dyke wants to hear. "The girls all decided to fuck you," she said. "It's been a great season; we didn't know what else you'd appreciate."

My nipples stiffened into construction rivets—whether out of gratitude, fear or from the cool air in the tile-and-metal room, I'll

Lexington Steele's Heavy Metal #2: "Oh, shit; I think he struck stomach acid."

Lexington Steele's Heavy Metal #2: Jewel De'Nyle grabs a fistful of Steele.

Lexington Steele's Heavy Metal #2: Nikita grabs the mic to do her Gene Simmons impersonation.

Lexington Steele's Heavy Metal #2

Directed by Jules Jordan.
Starring Alexandra Quinn,
Jewel De'Nyle, Nikita Denise, Zana,
Samantha Stytle and Lexington Steele.
Videocassette: Rosebud Productions.

The brave starlets of *Lexington Steele's Heavy Metal #2* who dare to take on Steele's massive tool walk a dangerous line between pleasure and a torn rectum. Nikita Denise may be well-worn and accustomed to ass-fucking, but Lexington's black adder still catches her off guard. The

sultry slut purrs as Steele pounds her ass, then suddenly screams bloody murder, as if the serpent unexpectedly decided to take a bite out of her upper colon. Later, Samantha Stytle bends over and surrenders her rotund booty. Upon insertion, Stytle's face twists into a mask of pain. Stytle's eyes water as the ebony sodomite thoroughly reams her straining starfish. After a prolonged butt-bang, Steele blasts Stytle with a facial. Anal fans rejoice: *Lexington Steele's Heavy Metal #2* rocks ass like no other. —**Nicholas Veridian**

Fake Moans or Real Juice?

Laying Odds on the Female Orgasm

Ejaculation, or saline drainage?

A woman's capacity for deception is most profound with regard to orgasms, and this is particularly true in porn. While the standard pop-shot is an irrefutable symbol of the male talent's satisfaction, the very nature of the female orgasm makes it much more difficult to convey, and much easier to falsify, on film. Because of this, there can never be visual "proof" that a porn starlet has achieved climax. Since technological shortcomings prevent viewers from reaching into the actress's love canal and feeling the vaginal contractions for themselves, ever-creative blue-screen filmmakers have developed several methods of portraying women in the throes of ultimate pleasure. *Erotic Entertainment* offers a rundown of the female orgasm's XXX incarnations and calculates the odds on their authenticity.

The Show: Lola moans.

THE SHOW:

WHAT HAPPENS: The chick pants, writhes, moans or screams as if her fingernails are being pulled out with a pair of pliers.

WHERE YOU SEE IT: *Real Female Orgasms* (Elegant Angel).

THE DIRT: Scream queens such as Chloe and Teri Weigel have turned over-the-top orgasms into an art form.

THE ODDS THEY'RE REAL: 3 to 1 Against—While winces and moans seem fairly believable when induced by a Lexington Steele-sized prick, most onscreen climaxes are a tad overdramatic. Then again, some

starlets' "o" faces seem too damned ugly to be intentional.

The Trickle: Terri's about to spring a leak.

THE TRICKLE:

WHAT HAPPENS: At the moment of climax, a splattering of "juice" squirts from the cunt.

WHERE YOU CAN SEE IT: Terri Lynn's solo scene in *The Ginger Effect* (Vivid Video).

THE DIRT: This phenomenon is only rarely seen in XXX. Could be faked by releasing palmed fluids at "climax."

THE ODDS THEY'RE REAL: 3 to 5 For—If a sprinkling of she-cum was so easy to fake, such drizzles would occur in far more tapes.

The Niagara: Making a mess.

THE NIAGARA:

WHAT HAPPENS: A deluge of fluid erupts from the vagina.

WHERE YOU CAN SEE IT: *Gush #3* (Knob Ryder), various Seymore Butts productions and Mila atrocities.

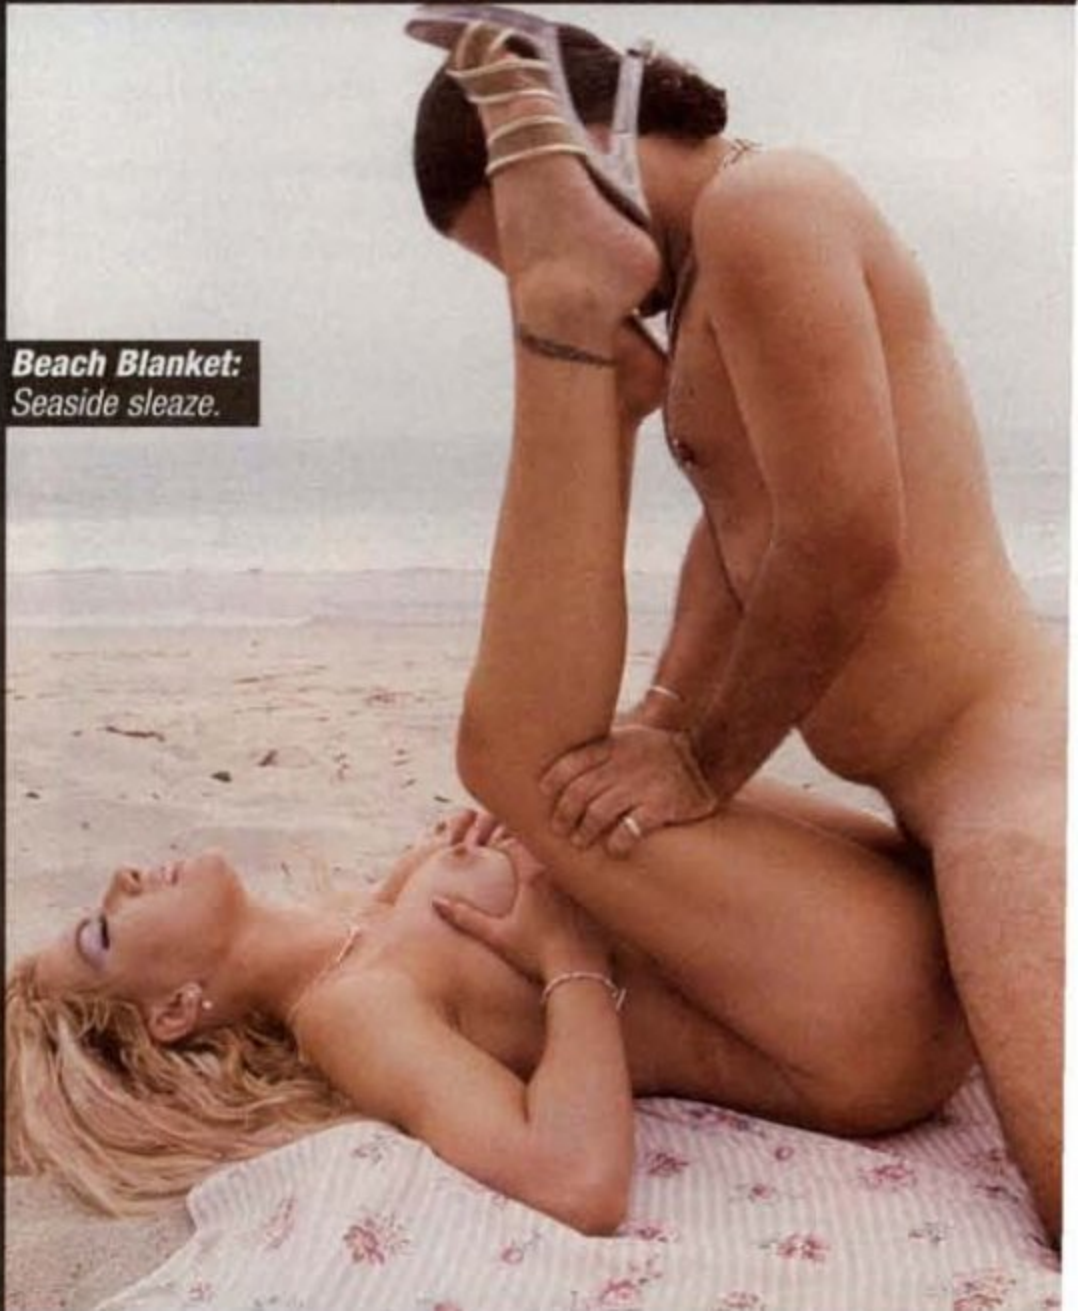

THE DIRT: There's a good chance a douche, water hose, enema or squirting-flower novelty device is utilized behind the scenes.

THE ODDS THEY'RE REAL: Nil—These flows are physiologically impossible. Only the mess caused by a pregnant woman's ruptured amniotic sac comes close.

Cooze Missiles: Candi warms up for takeoff.

Beach Blanket: Seaside sleaze.

Jade Lo: Nikita, another fly girl.

Bad Wives #2: Raylene's date with the devil.

Beach Blanket

Directed by Sandy Bunz.
Starring Christina Angel, Angel Capri, Stephany, Ashley Brooks, King James, Mavrick, Moon Doggie and Haywood.
Videocassette: Flash Point Productions.

Porn as lazy as *Beach Blanket* is rare, even in an industry that isn't known for its work ethic. Christina Angel fusses with her bleached-out hair on an overcast beach while she rides some goober on a ratty towel. The crashing surf drowns out any evocative yelps that the fake-titted tramp may emit while she crams her ginch full of semisoft dick. A random beachgoer cycling by in the background provides the biggest dose of action in the first scene. Perhaps out of boredom, Angel Capri heads indoors to blow some greasy mook. Later, back by the shore, rail-thin Stephany takes a drilling on the same jizzy towel that Angel used in her defilement. A listless indoor threesome rounds out the inaction. Grainy video, lousy lighting and a barely average collection of slits all add up to make *Beach Blanket* a wet drag.

—Clive Thurstwood

Cooze Missiles

Directed by uncredited.
Starring Gauge, Brandy Lyons, Stevie, Daphne, Candi Daze, Vanessa Blue and Summer Storm.
Videocassette: Armageddon Entertainment.

Armageddon dusts off carnal odds and ends from its XXX arsenal for *Cooze Missiles*. Brandy Lyons and Gauge tangle in a bout of redneck wrasslin'. The down-home whores tussle over who's the best cock-sucker. A pair of hick pricks climb into the ring and provide meat for the contest. Both babes slobber copiously as the prods ram their throats, causing spit to splatter the camera lens. Gauge gobbles her joint so ferociously that she upchucks a gut-load of pumpkin-colored puke. Without batting an eye, the dazed cockhound continues sucking. Brunet looker Stevie and lusty newcomer Candi Daze manage to arouse without losing their lunch. Stevie, one of the prettiest faces in Porn Valley, catches a ball blast on her heavenly visage. Candi, cute and shy, overcomes her bashfulness, climbs a cock and fucks the hell out of it. *Cooze Missiles* proves that left-over bombs can still deliver a decent bang.

—N. V.

Jade Lo

Directed by Jerome Tanner.
Starring Jewel De'Nyle, Gwen Summers, Brigitte Kerkove, Nikita Denise, Chandler, Joel Lawrence, Dillion Day, Dale D'Bone, Joey Ray, Brett Rockman, Frank Bukkwyd, Jerome Tanner, Halina Topcza, Paul Ramcharen and Jakey Tanner.
Videocassette: Legend Video.

Jewel De'Nyle spends most of her time "acting" in *Jade Lo*, a half-assed porno spoof of VH1's *Behind the Music*. As much as Jewel may think she's a budding thespian with brilliant comic timing, the moon-faced slut is more adept at noisily slurping down a cock than talking to the camera. Even though Jewel is ostensibly the star, the aggressive fuck doll undergoes only one onscreen violation, during which Joel Lawrence parks his blood sword in her shitter. The rest of the flick consists of Jewel aping Jennifer Lopez's career and even warbling a few painful notes in a scene where she mimics J. Lo's onscreen portrayal of doomed Tejano pop star Selena. Supporting player Gwen Summers outshines De'Nyle with funnier acting and more enthusiastic fucking when she nails Brett Rockman. The lowdown on *Jade Lo* is that Gwen is the real XXX superstar.

—C. T.

Bad Wives #2

Directed by Paul Thomas.
Starring Raylene, April, Kylie Ireland, Ava Vincent, Ryan Conner, Meriesa, Shelby Myne, Angel Desires, Jolene, Sirena Scott, Casey, Real Good, John Decker, Herschel Savage, Jason McCain, Eric Price, Alec Metro, Randy Spears, Eric Everhard and Bobby Vitale.
Videocassette: Vivid Video.

The devil teases, tests and taps doomed sluts Raylene and April in *Bad Wives #2*. Both cunts are serving time for murdering a pair of dastardly dudes when they're first approached by Old Scratch. Raylene is bucking for early parole, but April ruins their chances by throwing an all-dyke orgy in the prison shower. A butch guard takes out her sexual frustration by giving Raylene and April a new cellmate, Ryan Conner. The three quickly tear off their prison uniforms and munch rug. Satan's disguise is revealed when Raylene notices that Conner's tongue, which is shoved halfway up her snizz, is as forked as the devil's hooves. Conner stands, sprouts a dick and shoves it into Raylene's love hole. *Bad Wives #2* is full of similar, tripped-out nastiness. It would be a damn shame to miss out on this XXX treat.

—N. V.

Anal Angels: Blessings rain down from on high.

Cocktails #2: "Are you two sure you're not gay?"

Anal Angels

Directed by Pat Myne.
Starring Shelby Myne, Charlie, Mandy Mystery, Envy, Brigitte Kerkove, Pat Myne, Bobby Vitale, Chris Charming and Dante.
Videocassette: Elegant Angel.

Anal Angels blesses viewers with five solid butt-banging scenes. Charlie gobbles man-root with gusto before spreading her shit pillows for penetration. The brunette slides her sphincters over her partner's tool and rides with fierce abandon, periodically dismounting to savor her own butt butter on the shit-flecked dick before riding anew. Finally, the stud blows his wad on the busty babe's gaping shitter. Like reverse diarrhea, the drippy cum wad quickly slithers down the sides of her vacillating sphincters and into the depths of her colon. The prick reenters, forcing the ejaculate further into Charlie's digestive tract. Only Mandy Mystery, a sexy German trollop with a bleached-blond crop-top, screws with the same enthusiasm. The rest of the heavenly bodies in *Anal Angels* have been done better elsewhere.

—N. V.

Cocktails #2

Directed by Lizzy Borden.
Starring Taylor St. Claire, Veronica Caine, Justine Romee, Keri Starr, Dusk Del Mar and uncredited mooks.
Videocassette: Extreme Associates.

Bedpans, beer bong and enemas are the key ingredients of *Cocktails #2*. A warning sticker on the box informs viewers that this edition is the "director's cut" (as opposed, presumably, to the heavily censored version that ran in multiplexes) and contains material that may be objectionable. Perhaps the caution refers to a scene in which big-titted brunette Taylor St. Claire is slapped around, throat-fucked until she pukes, and doused with a bucket of jizz, warm beer and vomit. Maybe the offending material is the footage of Veronica Caine having a funnel of splooge pumped into her asshole, squeezing the butt-tainted spuzz into a bowl, and gleefully chugging the choco-creamy mixture. In all likelihood the scene that earned the warning sticker is the final shot of director Lizzy Borden giggling inanely as she frolics with her pet pooch. The only thirst that *Cocktails #2* inspires in grossed-out strokers is for Pepto Bismol.

—C. T.

Love Hurts #2

Directed by C. A. Batts.
Starring Ruby Switch Blade, Twins, Neptune, Gede Mask X, Azreal, Dominia and Bruce Payne.
Videocassette: Robert Hill Releasing.

Love Hurts #2 is devoid of fucking, but photographer C. A. Batts takes his smut to the next level by forgoing intercourse and pushing arousal to extremes. A pair of raven-tressed goth girls make out in a bathtub, smearing each other's faces with red lipstick as their tongues dart. The Betty Page wannabes bathe in rose petals, then luxuriate as slow-motion streams of milk splash against their ample breasts. Similar prick-teasing can be seen just about anywhere these days, but Batts stimulates through his bizarre context and continual upping of the perverted ante. Bondage comes into play when a couple of sisters are stripped and tied together like Siamese twins. The video closes on a freaky note when Bruce Payne and Ruby Switch Blade partake in a harrowing blood-play scene. While conventional strokers may balk at the lack of fornication, all smut should be as visceral.

—N. V.

Nina Hartley's Guide to Couples Sexploration

Directed by Will Renald and Nina Hartley.
Starring Nina Hartley, Shayla LaVeaux, Runninghorse, Joel Lawrence and Anthony.
Videocassette: Adam & Eve Productions.

Nina Hartley's Guide to Couples Sexploration is for all the HUSTLER readers who have been longing for instruction on how to deepen their feelings of love and respect through sex. Aside from those two, this tape can be utilized as barely passable, emergency stroke fodder. Thanks to the hilariously earnest lectures from Hartley as she sits and comments on the feverish humping of Shayla LaVeaux and Anthony, even the most uptight girlfriend will accept this video as an educational tool and not a spank tape in disguise. Although smoky-voiced Shayla's tight bod is the featured draw, fans of Hartley's legendary ass can enjoy her bubble butt at work in two scenes. Ironically, moments of *Nina Hartley's Guide to Couples Sexploration* do the trick for soloists.

—C. T.

Love Hurts #2: Goth chicks kill time between episodes of *Buffy*.

Nina Hartley's Guide to Couples Sexploration:

Colin's Sleazy Friends Live:
A place for XXX starlets to speak their minds—or just flash their tits.

Sleazy Living

The B-List Meets XXX on Cable Access

For almost five years Colin Malone has been throwing Hollywood celebrities together on the same ratty couch with paid cocksuckers and scummy ne'er-do-wells and taping the results. Malone's show, *Colin's Sleazy Friends*, plays like a mix of *Wayne's World* and the Spice Channel. Expanding from its no-budget roots to live tapings in a small Los Angeles theater and spots on national satellite pay-per-view, the program is building a solid reputation as top-notch low-brow entertainment—and the stars still show up. Regular viewers have been treated to Cypress Hill spanking Tera Patrick, Lemmy from Motörhead playing the blues and Joey Buttafuoco feeling up a stripper. *Erotic Entertainment*

caught up with Colin after a recent taping, which included guests Anthrax, Kathy Griffin and Inari Vachs.

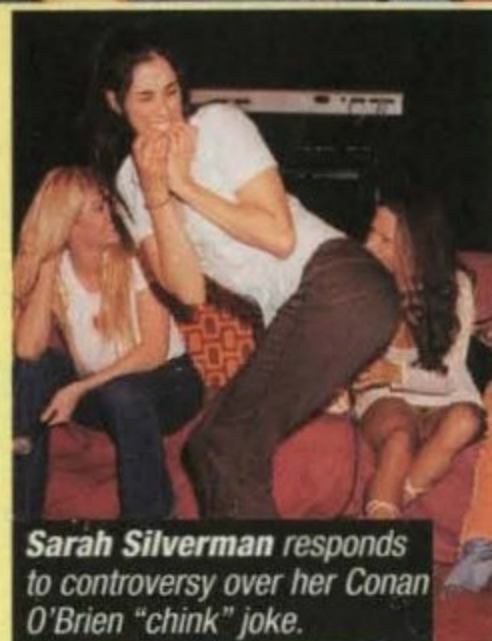

HUSTLER: What's it like to be king of the mooks?

COLIN: Truth be told, I haven't watched a porn [video] in forever. Now I just know the porn stars. I love the people more than the actual product.

HUSTLER: So you graduated to actually associating with XXX starlets?

COLIN: I guess. If that's what you'd like to say, sure. Is this a slam piece?

B-Real lays the smackdown on Tera Patrick.

Sarah Silverman responds to controversy over her Conan O'Brien "chink" joke.

HUSTLER: No, we actually like what you do, Colin. Who in porn can't you stand?

COLIN: I guess Tina Cheri. Every time we fucking book her, she never shows up. And let me tell you something: Tina Cheri doesn't have gold down there, I'll tell you that.

HUSTLER: Besides the fact that they won't fuck you, what's the worst thing about porn chicks?

COLIN: They always borrow money from me.

HUSTLER: Do you derive satisfaction from shooting jokes over porn chicks' heads?

COLIN: No, because they don't go over their heads; they actually get them, and then [the starlets] turn them around and they come to me.

HUSTLER: Do people ever mistake you for Jack Black?

COLIN: Constantly.

HUSTLER: Is that a nightmare?

COLIN: No, 'cause except for our bank accounts, we're kind of alike. Jack makes three-fucking-million a picture, and I think I just lost \$200 today.

Look for Colin on KJLA in Southern California and on DirecTV's *Midnight Rider* everywhere else. For more information, visit www.sleazycolin.com.

The Morgan Sex Project #4:
"He knocked himself out with his own pit odor again; this will wake him up."

Gush #3: "Hey, is it starting to rain? But it's so sunny...oh, fuck."

Valley Heat: Sienna learns to respect the cock.

The Morgan Sex Project #4

Directed by Jonathan Morgan.
Starring Alexandra Quinn, Kelsey, Friday, Jason McCain, Randy Spears and Jonathan Morgan.
Videocassette: Wicked Pictures.

The main drawback of *The Morgan Sex Project #4* is that it reminds regular joes how lame their own ski trips are. Zaftig porn slut Friday turns out to be the main attraction on Jonathan Morgan's carnal, snow-country travelogue. The giggly tit queen manages to upstage Alexandra Quinn's XXX antics. Like a slutty superhero, Friday proudly displays the "F" tattooed on her bald snatch as she rides Morgan's bone. Between fucks, the cheerful cockhound is kind enough to give viewers a demonstration on how to locate their top *chakras*. Elsewhere, Quinn's furious pussy nearly snaps Jason McCain's pecker in two, causing the outclassed stud to howl in pain. Demonstrating progressive psychological damage, McCain walks around with his dick tucked behind his legs à la Buffalo Bill from *Silence of the Lambs*. Then again, being lost in the woods with the top-shelf tramps from *The Morgan Sex Project #4* would make any guy happily flip out. —C. T.

Gush #3

Directed by Father John.
Starring Tanya Danielle, Samantha, Shay Sweet, Miko Lee, Nikita Denise, Eve Palindrome, Taylor St. Claire, Gino Greco and Tony Martino.
Videocassette: Knob Ryder.

Cunts spray gallons of she-cum in *Gush #3*...or do they? Every scene in this gonzo squirtfest ends with a spurting female orgasm, but the flow of fluid is a bit too excessive to be believable. Odds are that the juice is as fake as their accompanying moans of ecstasy. Despite the vid's apparent dishonesty, it still manages to sprout wood. Gino Greco porks hot, Asian poontang Miko Lee in a hot tub. Later, Greco reams Eve Palindrome in the woods. Both scenes drip with intensity and boast the aforementioned gushing in addition to the standard pop-shot. When Samantha straps on a dong and humps Nikita Denise, the pussy juice really flies. This lesbo coupling stands out as one of the hottest girl/girl scenes in recent memory. The female orgasms in *Gush #3* are suspect, but viewers will have a verifiable mess on their hands. —N. V.

Valley Heat

Directed by Mike Quasar.
Starring April, Lexus, Kiki Daire, Calli Cox, Sienna, Kimi Lixx, Logan LaBrent, Mark Woods, Tice Bune, Joel Lawrence, Bart Myne and Ron Jeremy.
Videocassette: Metro Blue Movies.

Like *Magnolia* without the frogs and all the crying, *Valley Heat* looks at the sleazy, camcorder-wielding denizens of the San Fernando Valley and how their pitiful, sex-obsessed lives intersect. Shockingly, Ron Jeremy is actually funny as a movie star who unsuccessfully tries to keep his affair with a top-heavy porn wench under wraps. The grizzled Hedgehog does, however, ably befoul his pet starlet with his drooping schwang. A later scene in which April sweatily worships Joel Lawrence's cum crank helps viewers forget the trauma of seeing Jeremy in action. Energetic fucking from Calli Cox, Kiki Daire and Sienna satisfies, but April's too-cute-for-porn face and lithe, natural body are the main attractions. When April spreads her pink and turns up *Valley Heat*, viewers can't help but be turned on. —C. T.

(continued from page 32) never know.

The tight bodies of the girlie-girls fell back. The five massive round-ball starters came forward, lifted me to their shoulders and carried me toward the showers. As the throng of nude, fit lovelies hooted and cheered, Tyla, a meaty guard, shoved her chin in my crack and swiped her tongue across my anus—the first time she'd been to the hole all year. I'd missed the big bitch.

The showers were still steamy and smelled of shampoo. Jumping and squealing, the pep girls turned all ten spray heads on. In the artificial rain, the jocks put me down, and the crew assumed rehearsed positions. Irina, a long, blond forward with little tits, joined beefy Tyla on the floor. Each of them wrapped around one of my legs and nuzzled my inner thighs. I widened my stance a bit to accommodate them.

Redheaded Brody, the youngest cheerleader at 18, jumped me from behind and swung herself around to plant her pale snatch on my kisser.

I hadn't had the pleasure of Brody's honeypot before. I lapped eagerly at lips so sweet and fresh, I'd have sworn there was a stick of Doublemint gum in there somewhere. And maybe there was, but no matter how deeply I probed with my tongue, I never found it.

I couldn't see much with Brody's pouty pisshole in front of me, but I caught a glimpse of the Gomez sisters, Andrea and Sylvia, on either side. The voluptuous, six-foot Amazons with rock-hard abs and pillowy tits chomped my stiff nips. A tongue slithered its way over my clit, but it wasn't either of the two hoops girls between my legs. I soon recognized the sinuous spearing that cleaned my labes. Of course! It was Piper, the head cheerleader.

In the misty room, I bucked with pleasure, anchored firmly by six hormone-charged beauties. My cheeks were smeared with Brody's appetizing girl goo. My tongue was probing the swollen tissues behind the redhead's pubic bone. My quim quivered in approval as Piper's cow-sized tongue traced a snake's path up and down my labia. The Gomez girls sucked my fun bags hard enough to use their molars on the nerps. The other cheerleaders began to chant, "Shout, shout! Turn 'em out! Go, *Lezbie Ann!*" Their ebullience sent my senses reeling.

I was nearing a monumental climax when Marie's voice piped up behind me. "Ready for your surprise?" she

asked, her normally squeaky voice a husky whisper.

The other pep girls chanted, "We want a pitcher! Not a belly-itcher!" as something big and greasy poked at my sphincters.

My eyes were like saucers. The jocks fondling my legs anchored my shins between their knees, or else I would have hit the ceiling. As it was, we all skidded a bit on the wet tile when Marie eased the strap-on into my colon. Her cool, wet knockers pressed into my back as her arms locked in front of me.

That made seven of my favorite young ladies on me, two holes filled, a new pussy on my face and almost every inch of my body rubbing against adoring, moist girl flesh.

The strap-on must have been ten inches, and I took it all. Marie hooted and smacked my ass, beginning to fuck in earnest. The dildo thrusting in my rear caressed Piper's tongue through the thin wall between my shitpipe and fish pocket. I don't believe in the devil, but as I let the sea of humping, grinding, licking, slurping, ass-banging femininity wash over me, I grabbed Brody by the waist, mashed her fiery pit to my mouth and spoke in tongues.

Brody, a sexual neophyte, came like

an express train full of bad news, her fingers digging into my scalp, wailing like a burn victim, spouting like a dolphin. The pixie's searing wave of pleasure detonated Marie, Piper and the Gomez girls. Their howls joined Brody's. I felt a rumbling, seismic shift. The floor dropped out from under me.

"I'm—" was all I could blurt out before I came. The churning, flashing orgasm that ripped through my body and brain was as close to electrocution as I ever want to come. When I quieted down to uncontrollable spasms, I heard the b-ballers on the floor whimpering through their own climaxes, which set me off again. I may have seen God on the second crest, although the face in my vision most closely resembled Anna Kournikova.

When my breathing resumed, I surveyed the aftermath, rubbing Piper's nose in my box to bring myself down gently. Brody slipped from around my head and locked lips with Marie behind me. The girls on the periphery had gone down like dominoes. They now luxuriated in the afterglow of an orgasm by proxy. Irina, soaking wet, stood slowly. I let Piper up, and the blond giraffe gave me a big hug that pulled my asshole (continued on page 121)

Dear Slut

Jeanna Fine
Tells the
Fucking
Truth

Fucking Mr. Hyde

My boyfriend is a prince among men. He always buys dinner, holds doors open and pulls out chairs for me. Imagine my surprise when he opened his mouth in bed. He called me a "filthy fucking whore" during our first night together. Lately, he insists on referring to me as his "jizz dish" after he comes on my face. What's the deal, Jeanna? Why is my man so polite in public and so rude in the sack?

—A. R.
Burbank, California

Words are powerful. Carefully chosen phrases can create boners, moisten cunts and even spontaneously empty a pair of balls. Your man is using his dirty pillow talk to add spice to screwing, but both fuckers have to be part of the vocabulary shift for the foul language to have the proper effect. If you're comfortable with the idea of spewing filth at your man, grab a thesaurus, slang dictionary or copy of HUSTLER for choice obscenities and curse away.

Cleaning the Pipes

I heard that porn starlets douche before every fuck scene. I know that you recommend enemas prior to anal sex, but is frequent, deep cleaning of the pussy really a good idea? —E. M.
Teaneck, New Jersey

Keep douching to a bare minimum. Excessive cunt-flushing is a surefire route to yeast infections. Ask any gynecologist; more than one or two douches a month is too much. To keep things hygienic, a good splash of water is all you need. If you're the type that uses lots of lubes, jellies or food products in the sack, a douche full of spring water and vinegar should do the trick. Eat plenty of yogurt to replenish the naturally occurring Lactobacilli bacteria that douching washes out.

Jizz Is Murder

My girlfriend just became a vegan who won't eat anything that comes from an animal. For the most part I'm pretty happy, since her new diet means more pizza and KFC for me. What sucks is that she won't swallow my jizz anymore. She says that drinking cum is just like eating an egg, which she feels is disgusting. She never used to have a problem quaffing my loads before. Is my girl using her new consciousness as an excuse to spit my sperm in the toilet?

—F. K.
Rapid City, South Dakota

Most vegans have chosen their diet to prevent the harm of animals. The only creature remotely close to being hurt by a blowjob is your snake. Sure, sperm cells are living organisms, but so are all of the germs that swim around in your mouths every time you swap spit. Hit the Internet, learn the ins and outs of your girl's beliefs, and prove her wrong. If you're unable to convince her of the error of her logic, work out your frustration by secretly popping a load in her tofu.

Porking in the Boy's Room

My husband is on a public-sex kick. We've fucked at the mall, in a baseball stadium and even in church. I'm not sure why, but my man's favorite places to screw are dirty men's rooms—the filthier and stinkier the better. The last shitter we porked in was so disgusting that I spent the entire time gagging, which only turned my hubby on more. Have you ever heard of this weird kink before? Are my husband and I running the risk of catching something by copulating in such filthy surroundings?

—T. K.
Idaho Falls, Idaho

Butch Is Bad

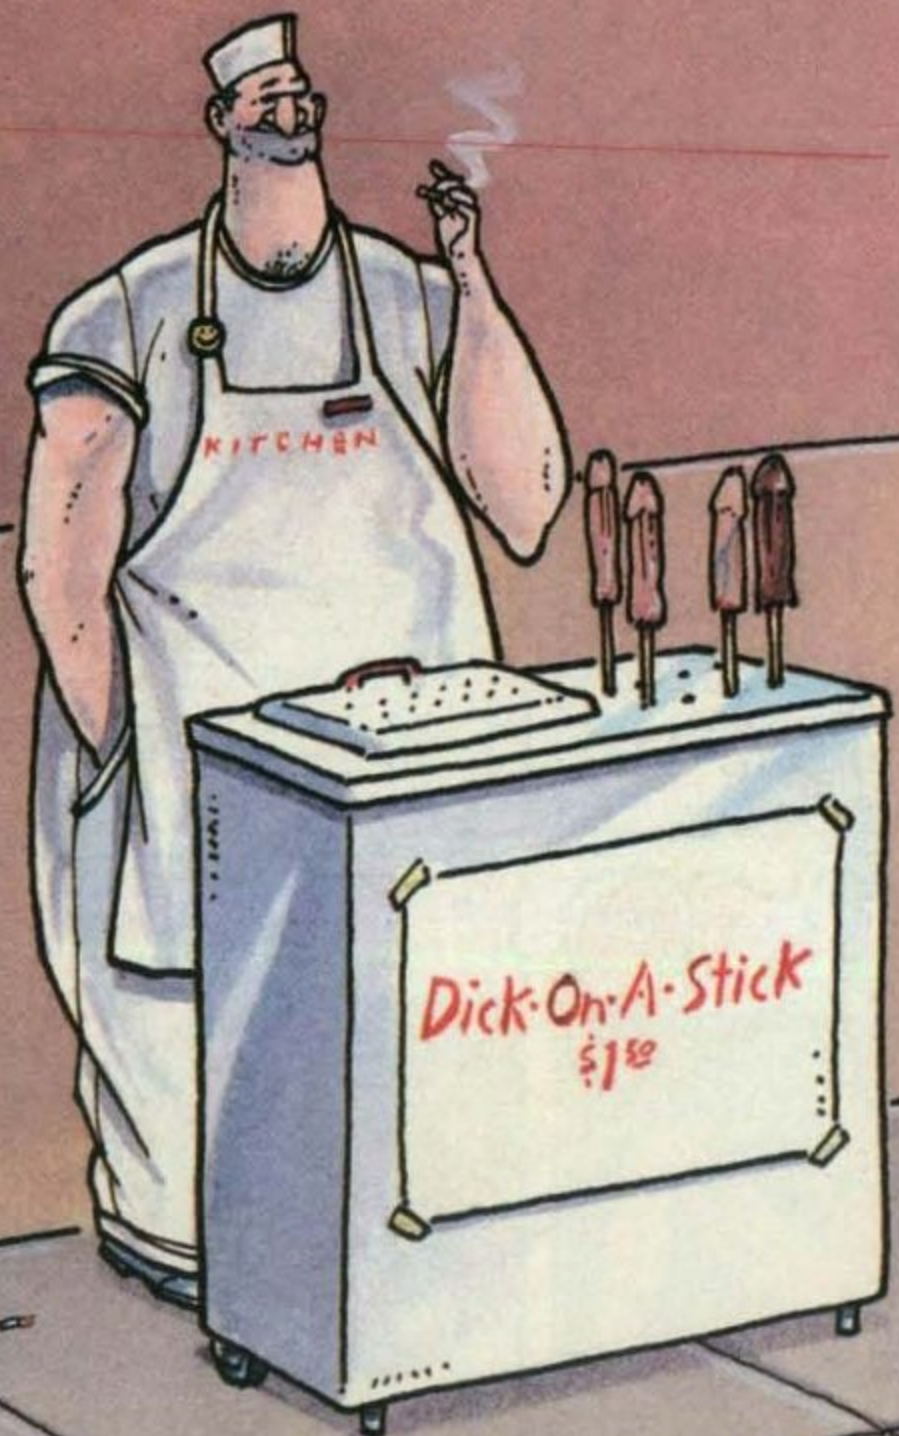

I'm a good-looking, bisexual, 19-year-old girl. I'm looking for a girlfriend, but I'm not interested in dykes. I prefer fucking and dating someone more like myself—a sexy, hip, young chick. I've been to lesbo bars, but all of the available women look more like Melissa Etheridge than Anne Heche. Jeanna, what's a lipstick lesbian to do? —E. V.
Austin, Texas

Be patient. I'm amazed and a little jealous at the amount of gorgeous bisexual babes popping up in your generation. Most rock concerts and raves are popular stomping grounds for those slender, bi-curious sexpots with the low-riding jeans. The Internet is becoming more and more of an outlet for budding rug-munchers; scouring online journals for another hot, wannabe dyke could also be quite fruitful.

A Shot to the Ass

My husband told me that booze enemas make you really drunk, really fast. I love ass play and am excited to try this out, but I have a few reservations. What are the dangers of shooting a bottle of vodka up my shitter? —P. D.
McKeesport, Pennsylvania

The lining of the ass and colon absorbs fluid into the bloodstream quite quickly. Pumping too much liquor into your lower intestine could easily cause an alcohol overdose. If you're intent on catching a back-door buzz, start with small, watered-down concoctions, such as wine coolers, and use extreme caution.

Sexual Profiling

I've heard that Jewish chicks give good head, Latin girls are wild in the sack, and Asian women let their men do whatever they please. I've only screwed white women and have always been intrigued by these generalizations. Is there any truth to them?

—G. L.
Hazelwood, Missouri

I've nailed my share of black guys with small dicks and Asians who are hung like horses. Most stereotypes don't apply, though some characteristics do vary from culture to culture. For example, you don't find many Latin swingers. Don't take my word for it though. If you're really curious, go out and experience the variety of sexual experiences that every nationality has to offer. Now, more than ever, there's an urgent need for different ethnicities of the world to come together.

Bled Dry?

My boyfriend has been out of work for a couple of months now. Instead of looking for a job, he's been collecting unemployment and selling his plasma and sperm. We're still very sexually active, but now he falls asleep as soon as he comes, and the loads he

shoots are really small. Are my man's fluids being dangerously depleted?

—C. T.
Ann Arbor, Michigan

If your guy is passing out, he could be suffering from low blood sugar or perhaps anemia. If he's hopping from joint to joint to make extra cash, he could be endangering his life. Assuming that the blood banks feel he's operating well within safe donor limits, help him recoup by serving him a rare steak and a protein-enhanced milk shake. Once he's had his meal and rested, make the lazy fucker find a real job.

Working Stiff

As a businessman, I spend a great deal of time entertaining clients. This usually involves taking them out to dinner, to strip clubs and, occasionally, setting them up with hookers. I've been completely honest with my wife and constantly reassure her that I am entirely faithful, which is the truth. Still,

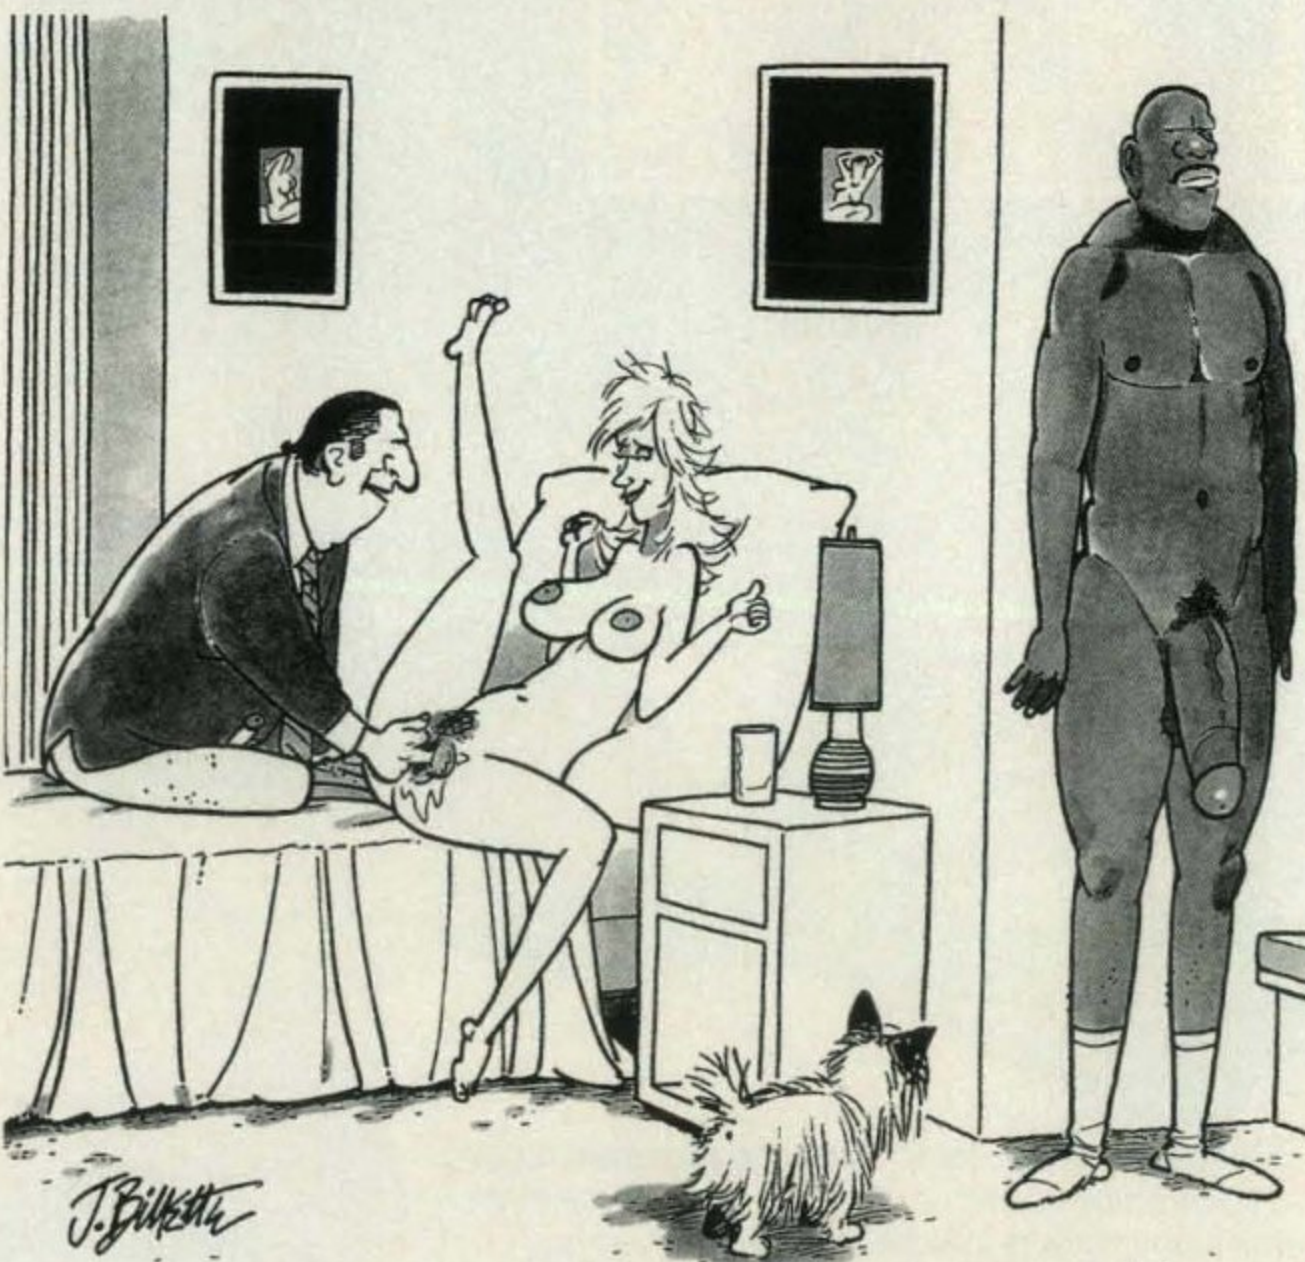

my woman continues to give me the cold shoulder every time I come home late. She's been withholding sex for four months now; what can I do?

—B. E.
Miami, Florida

Either quit taking these guys out or stop telling your wife. It's not mandatory that you spend all night with these characters. As long as they have cab money and know where their hotel is, they should be able to fend for themselves. Decide which is more important, your client's sex life or your own. One way or another, coming home earlier will most likely solve your problem. Your missus probably misses your company.

JEANNA FINE

Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth. Write to *Dear Slut*, c/o HUSTLER, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or e-mail at slut@lfp.com.

CULT LIVING WITH DAN KAPELOVITZ

Members of the **Raëlian religion** believe that **extraterrestrials created mankind in test tubes** and eternal life can be achieved through cloning. While waiting for immortality to become a reality, **they practice an alien-taught version of free love.**

Raëlians

Sex, Clones and UFOs

The Canadian version of Disneyland.

On December 13, 2000, four people are gathered at a Canoga Park, California, condo. They each wear a medallion featuring a galaxy-swirl pattern embedded in a Star of David. This is the symbol of the Raëlian Movement, a UFO cult founded by French race-car driver and journalist Claude Vorilhon, who now calls himself Raël.

Hanging prominently in the living room is a large, framed photograph of Raël, a bearded man, with long locks pulled up into a bun, revealing a receding hairline. Pictures of various UFOs and cartoon aliens also adorn the walls.

Jeri Conway, a tall African-American man and high-ranking Raëlian guide who works in property management, leads the meeting. The other devotees include Raymond Jubinville, a French-Canadian street musician who resembles Robert Plant, and Paula Cote and David Peterson, the married Caucasian couple who are hosting the event. Aside from their medallions, the four appear to be the sort of average, upstanding citizens one might find at a Martha Stewart book signing.

After eating Chinese food served on alien-decorated paper plates, the group discusses Raëlianism with potential followers who, at this particular meeting, consist only of a HUSTLER reporter and his friend. The quartet of true believers claims that there are 55,000 members worldwide, mainly in Japan, Italy and Canada.

According to Raël's book, *The Message Given to Me by Extraterrestrials*, on December 13, 1973, Vorilhon was walking in France's Clermont-Ferrand volcanic mountain range when a spaceship appeared. A four-foot-tall extraterrestrial in a green, one-piece suit with almond-shaped eyes, long, black hair, a black beard and slightly greenish skin exited the spacecraft and taught Vorilhon that mankind was created in a test tube by a race of space creatures, referred to in the Old Testament as "the Elohim."

The diminutive alien told Vorilhon that he was the last of the 40 prophets chosen to spread "the message." The space traveler instructed the Frenchman to change his name to Raël and start a religious movement.

"The Elohim created all of the religions," says Conway, back in modern-day Canoga Park. "The original laboratory is the Garden of Eden."

The devotees are celebrating the 27th anniversary of Raël's close encounter. According to Raëlian doctrine, today is one of only four days each year that a new disciple can upload his or her genetic code to mankind's alien creators.

Raëlians hope that the Elohim will choose them to be reincarnated via cloning. According to Raëlian David Peterson, "8,475 humans from Earth will be chosen to live on the Planet of the Eternals." Peterson believes that the Elohim use computers to keep constant surveillance on every human being to

determine who's worthy of replication.

Like many people, Raëlians believe that humans will soon be able to clone themselves. The Raëlians, however, are taking matters into their own hands.

In February 1997, embryologist Ian Wilmut and his colleagues at the Roslin Institute in Scotland announced that they had created a lamb named Dolly, the first mammalian clone. Immediately following Wilmut's proclamation, Raël, who had been advocating human cloning for more than 20 years, formed Clonaid, a company dedicated to creating human clones.

Raël believes cloning is only the first step to achieving eternal life. "Right now, cloning is just like having a twin brother or a twin sister," says Raël in a heavy French accent. "The next step is a new technique called Accelerated Growth Process, where you can directly clone an

adult copy of yourself, and the third step is where you can upload your memory and your personality into the brain of the adult clone, who is like a blank tape, because when you reach this level, you can have eternal life in another body. That is what is exciting. I think a baby is not very exciting."

The cult leader believes that this advanced form of cloning will be possible very soon. "We are not talking about next century, but in ten to 20 years. If you are less than 50 years old, you can expect to never die."

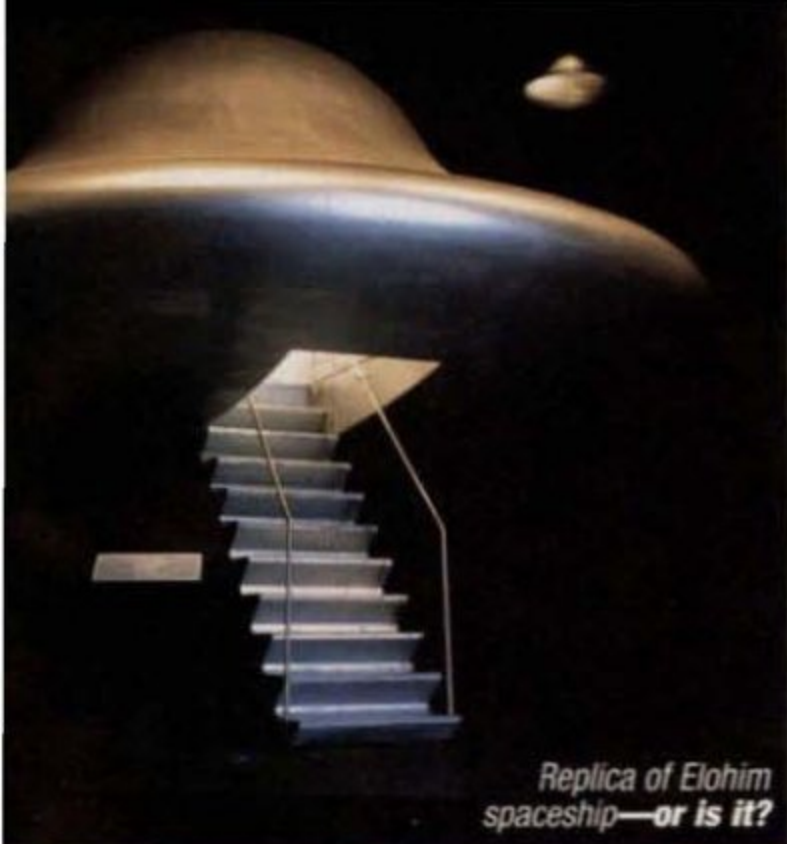

Others aren't so happy about the prospect of replicating human life. On July 31, 2001, the House of Representatives passed a bill by a 265-162 vote banning all forms of human cloning. If the Senate passes the bill, which is supported by the Bush Administration, people convicted of cloning humans could face up to ten years in prison and a \$1-million fine.

Clonaid's director, a 44-year-old French biochemist and Raëlian bishop named Brigitte Boisselier, testified before a U.S. House subcommittee on cloning. Dr. Boisselier became a Raëlian

in 1993 after hearing Raël speak. "I had a strong feeling that this man was not lying," she says.

Which is a substantial leap of faith considering Raël's claim that, two years after his initial meeting with the alien, he was taken by spaceship to the Planet of the Eternals, where Yahweh introduced Raël to the 39 other prophets, including Jesus, Moses, Mohammed, Buddha and Joseph Smith, who were all cloned back to life by the Elohim.

Raël learned that he was conceived on Christmas 1945, when Yahweh had sexual intercourse with Raël's mother. "The Elohim erased [the sexual encounter] from her memory to allow her to have a normal life," explains Raël. "She had a boyfriend at the time, and she thought the

boyfriend was my father."

According to Raël's teachings, the human race was created by aliens 666 generations ago on what would have been April Fool's Day, 11,375 years before the birth of Christ, who is Raël's half-brother.

On April 1, 2001, approximately 30 Raélians congregate at Lake Meade, just outside of Las Vegas, Nevada, to celebrate the test-tube birth of mankind. Unlike at the Canoga Park celebration, there are some new Raélians present who upload their genetic code to the Elohim. Clonaid director Boisselier, in her role as Raëlian bishop, places her hand in water and presses her palm against the foreheads of the new devotees. One woman goes into hysterics, crying at the beauty of it all. Afterward, the converts must sign a letter of apostasy, denying all other faiths.

Raël learned that he was conceived on Christmas 1945, when Yahweh had sexual intercourse with Raël's mother.

The Raélians also agree to have a chunk of their skull sent to Raël after they die. "Instead of taking a lot of room for cemeteries, we just keep one square centimeter of the forehead, and everything else is given to science," says Raël. "We keep it in a safety box, well protect-

ed. It can be used by human beings for cloning; it is not for the Elohim. The Elohim know the personality and the genetic code of every human being, and if you worked for peace and love for the good of humanity, then after death the Elohim will give you an opportunity to have another life through cloning. If you do bad, you go back to dust."

Clonaid was merely a post-office box in the Bahamas until, according to Boisselier, the French government pressured officials there not to allow a human cloning company in their country. Clonaid then opened a secret lab in the United States. The company's first customers were Mark Hunt, a former state senator from West Virginia, and his

HOW TO TELL IF YOU'RE IN A CULT

Cults often use deceptive tactics on new devotees. In other words, you may be under the control of a fringe religion and not even realize it. Here are some telltale signs of sect membership.

People you've never met before suddenly love you, and you're not even rich.

You shave your head, leaving only a small patch of hair that hides a recent surgical incision.

People avoid you at the airport.

The ATF is lighting you and your children on fire.

You find yourself listening to 20-hour speeches from "the Leader"—and loving it.

All of your assets are "shared" with the high-ranking members of the group.

You become one of many sex slaves of the new incarnation of Jesus.

Castration seems like a great idea.

Not only do you divorce Nicole Kidman, but everyone thinks you're sleeping with a gay porn star.

Releasing deadly nerve gas on a Tokyo subway is your idea of fun.

Even after convincing yourself that a stale piece of bread is a hunk of 2,000-year-old corpse, you will—ingly swallow it.

You commit suicide because all of your friends are doing it.

wife, Tracy. Their ten-month-old son, Andrew, had died in September 1999, after undergoing heart surgery. The Hunts helped finance Clonaid's work by investing anywhere from \$200,000 to \$500,000, according to various reports.

With the money, Boisselier hired three more scientists: another biochemist, a geneticist and an OB/GYN familiar with in vitro fertilization.

Because cloning entails much trial and error, resulting in miscarriages and deformities, Clonaid has secured 50 Raëlian woman, including Boisselier's own 22-year-old daughter, Marina Cocolios, as volunteers to carry any cloned embryos that might result from Boisselier's efforts.

Female Raélians have also offered to donate their eggs for a project called Ovulaid, a service where would-be parents can meet the egg donors and determine the genetic make-up of their child.

Unfortunately for Clonaid, the feder-

Raëlians: Sex, Clones and UFOs

al government has impeded the group's progress. Agents from the Food and Drug Administration visited the biochemist at her secret cloning lab, which turned out to be a schoolroom in rural West Virginia. Despite its rustic setting, the lab contained sophisticated equipment.

"Basically, we inspected the lab, and [Boisselier] signed a statement saying she would not attempt human cloning in the United States until it's decided in court or by a law," says FDA spokesperson Lenore Gelb.

Boisselier says that if the anticloning bill becomes law, she will fight all the way to the Supreme Court. "I do believe it's a fundamental right to be able to use your genes the way you want. Meanwhile, we have moved our main lab outside of the U.S."

In the meantime, the Hunts have backed out of having their son cloned by the Raëlians, complaining that Boisselier is a "press hog" who hasn't even come close to cloning their child. Boisselier claims that more than 2,000 others have come forward to be cloned but, because of the investigation, she has no timetable on when their first clone will be born.

Mike Kropveld, executive director of

Info-Cult, a resource center on cultic thinking in Quebec, concurs with the Hunts that the Raëlians are more interested in publicity than productivity. "For years, Raël's been trying to make it into the American market," says Kropveld, who believes that there are most likely only 5,000 to 10,000 full-fledged Raëlians on the celestial books.

**Raël foresees

"Of course,

will not like it,"
says Raël.**

"He's really trying to make it in the media. They're always sending out press releases. He doesn't really appear to concern himself too much about what kind of coverage they get, as long as they get covered."

Kropveld seriously doubts that the Raëlians will ever clone a human being. "Let's put it this way: History with this

movement tends to demonstrate [a lack of results]. Raël doesn't have a clue about cloning, and now that mankind has some capabilities, he's pushing the idea. Here is an individual who likes to be talked about."

Prior to Clonaid, most media coverage of the Raëlians focused on the group's sexual beliefs and practices. While the Raëlians contend that they are wrongly presented in the press as a "sex cult," they seem to simultaneously invite and dismiss the reputation. In an interview with the *Ottawa Citizen*, Raël denies that the group is centered on eroticism, then boasts that a 65-year-old Catholic nun "discovered sexual pleasure in her tent with a boyfriend" at a Raëlian retreat. Raël also enjoys posing for photographs with his nubile, topless disciples. The group's literature features pictures of nude women who appear to be in the midst of orgasmic throes.

Raël details the origins of his free-love philosophy in his book. After meeting his fellow prophets on the Elohim Planet, a robot showed Raël to his room and asked him if he wanted a female companion. When Raël answered in the affirmative, he was presented with a beautiful, brunet, biological sex robot. Then a blonde appeared, followed by a redhead, a "magnificent black woman," a "very fine, slender Chinese female," and finally another Asian woman, this one voluptuous.

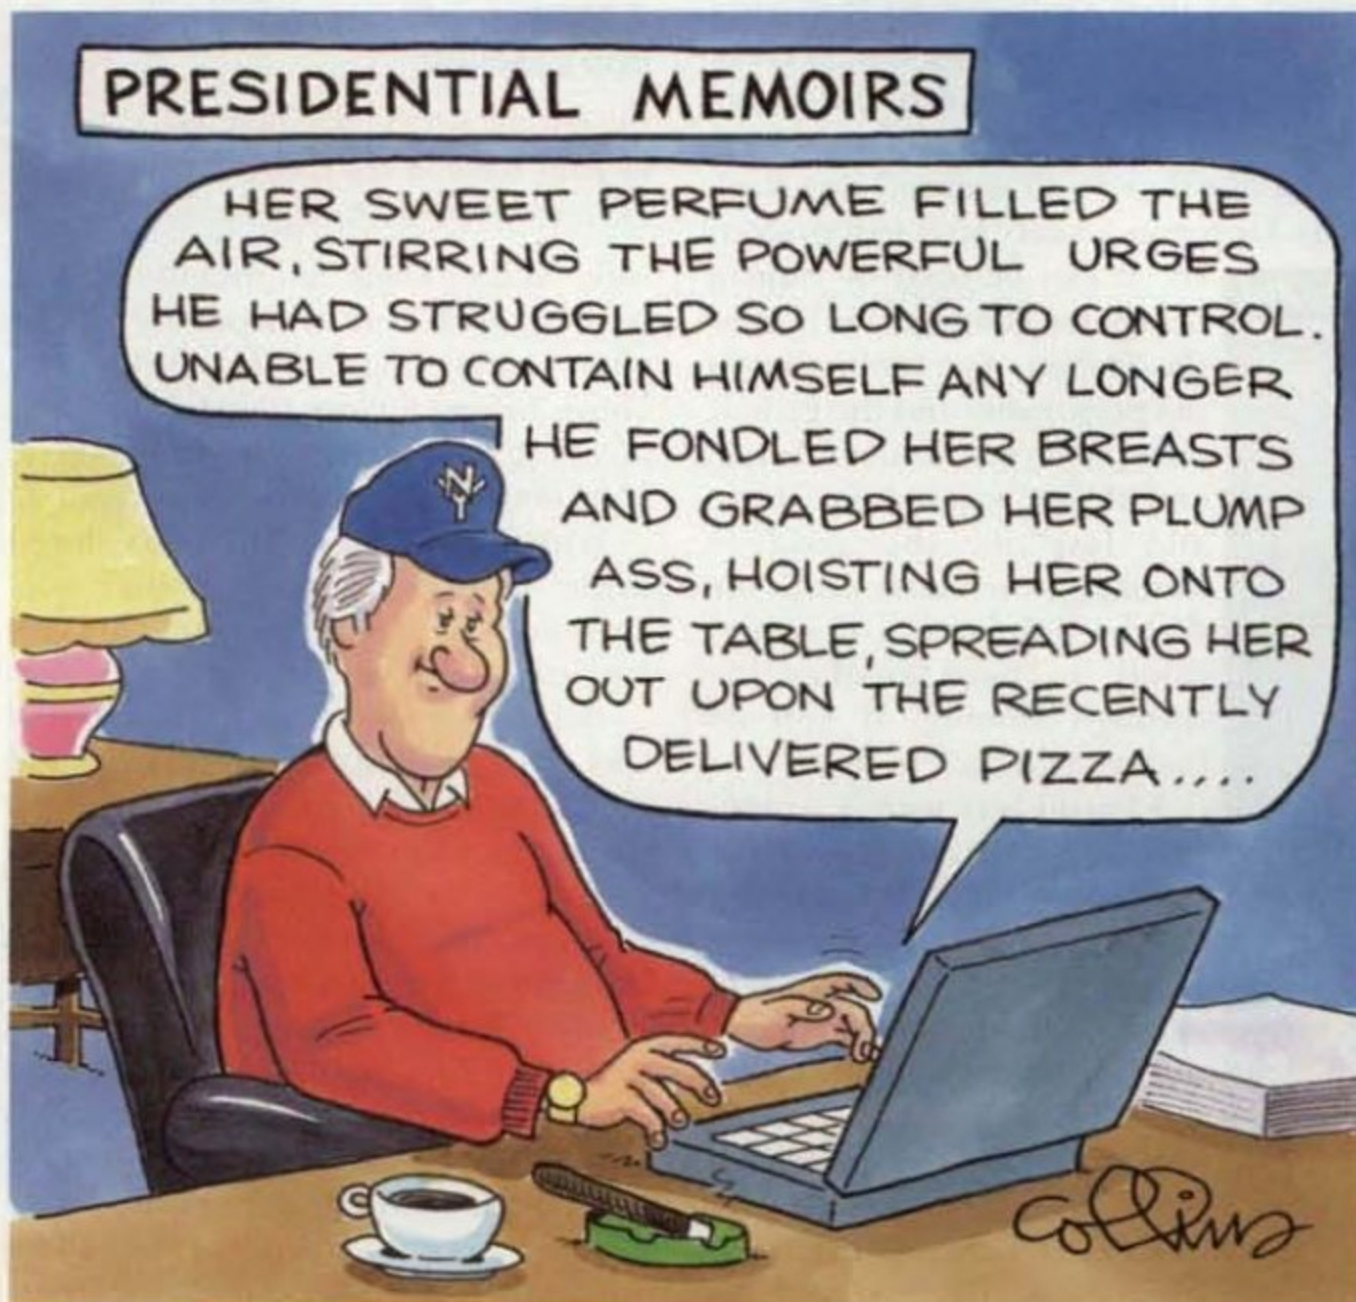

Because Raël could not decide which of the beautiful robots to bed, the Elohim allowed him to take all six. "I had the most unforgettable bath that I had ever had in the company of those charming robots, totally submissive to all my desires," recalls Raël.

Raël foresees a day when all humans will be able to have sex with robots. "Of course, the feminists will not like it," says Raël. "But nobody has any feelings against using a washing machine or a dishwasher."

Raël says that while there is much sex among the movement's members, freedom of sexuality also includes the freedom not to have sex.

Raëlians are programmed not to be jealous. They are taught that, if they are truly happy with themselves, they will want their partner to be happy, and if happiness means the partner must sleep around, the partner should be allowed to do so.

While Raël copulates with many of his female followers, the ewes in his flock are not required to perform sex acts on their messiah. "I am getting old," says Raël. "I am (continued on page 112)

To prove which organization was best at apprehending criminals, the CIA, the FBI and the LAPD agreed to a competition: They would each chase a rabbit into the woods and see who could catch it the quickest.

The CIA went in first and placed informers all over the woods. They questioned all plants and rocks. After four months of in-depth investigation, the Agency concluded that the rabbit does not exist.

Next, the FBI moved in. After three weeks, they burned down most of the woods, killing 74 animals, including the rabbit. Instead of issuing an apology, the FBI released a statement asserting that "the rabbit got what it deserved."

Finally, the LAPD entered the woods. Two hours later they emerged with their suspect in custody, a badly beaten bear screaming, "Okay, okay! I'm a rabbit!"

Question: How is your boss like a diaper?

Answer: He's always on your ass, and he's usually full of shit.

A burly Irishman was drinking in a bar. A tiny gay man sat beside him. After a few beers, the gay guy whispered, "Do you want a blowjob?"

The big mick flipped out. Roaring with anger, he grabbed the little homo and violently tossed him out of the bar and onto the sidewalk. When the fuming Irishman returned to his beer, the shocked bartender asked, "Conor, what on earth did that guy say to you?"

"Dunno," Conor belched. "Something about a job."

The HUSTLER Dictionary defines *Indian giver* as: a Native American girl wearing a strap-on.

An elderly couple had dinner at another couple's house. After eating, the wives left the table and went into the kitchen. As the two geriatric gentlemen talked, one said, "Last night we went out to a new restaurant, and it was really great. I would recommend it very highly."

The other man said, "What is the name of the restaurant?"

The first man thought and thought and finally said, "What is the name of that flower? You know...the red one with thorns."

"Do you mean a rose?" his friend offered.

"Yes," the man said.

He turned to the kitchen and yelled, "Rose, what's the name of that restaurant we went to last night?"

A loser down to his last few dollars saw a gorgeous blond hooker smoking a cigarette on a street corner. Desperate for any taste of the yellow-haired whore's charms, the down-and-out john walked up to her and asked, "How much do you charge just to stroke genitals?"

"The same as Jews," replied the blonde.

The HUSTLER Dictionary defines *slippery slope* as: a female oil wrestler from Hong Kong.

A pedophile was driving down the street looking for a kid to pick up when he spotted a little boy on the sidewalk. The perv pulled his car up, showed the kid a bag of candy he had in his lap, and said, "Hey, kid, I'll give you a piece of candy if you'll come in my car."

The kid replied, "Hell, mister, give me the whole bag, and I'll come in your mouth."

Question: What should you do if you miss your ex-wife?

Answer: Buy a rifle scope.

A group of medical students was attending its first anatomy class with a real corpse. They all gathered around the table where a white sheet covered the cadaver. The professor started the class by telling his pupils: "In medicine, it is necessary to have two qualities. The first is that you not be squeamish."

The professor removed the sheet, sunk his finger in the dead body's ass, withdrew it and sucked the digit.

"Now you do the same thing," he told his students.

The students hesitated but followed the instructor's orders. When everyone finished, the professor sternly looked at them and said, "The second important quality is observation. I sunk my middle finger and sucked my index finger—pay attention!"

Plainclothes Naked

Spongy buttocks exposed and wobbling, Tony Zank's mother piled down the rest-home corridor, screaming, "Help me!" and "Stop the monster!"

Her walker clattered off the floor and her Seventh Heaven gown clung half-on, half-off, as though she'd run through a backyard clothesline and the paper-thin garment had caught an arm.

"Pretty good pipes for an oldster," said McCardle, Zank's sullen partner, a Dean Martin lookalike, if Dean Martin had been African-American. He added, when Zank gave him a stare, "I mean, she seems pretty upset."

Zank burped beef-jerky fumes into his fist and shrugged. "She's always upset. That's her job. She's been upset for 50 years."

Zank realized, with a sinking twinge, that hiding the key to his happy tomorrow in his mother's bed, wedged between the plastic protectopad and the mattress beneath, had not been the brightest idea he'd ever had. But this was no time for regrets. He had to get in there and slip the envelope out before the authorities—some breed of rest-home police, if there was such a thing—showed up and asked what all the shrieks were

about. Asked him why, if the morning went really south, he had decided to visit his mom with a two-time loser who'd showed up on *America's Most Wanted* the week before, wanted for a gay shovel murder.

"Mac, reach in and grab the thing," Zank snapped. "I'll cover the door."

In passive-aggressive splendor,

Mrs. Zank wore nothing under her nightie, and every time Tony looked down, he got an eyeful.

"Mom-twat," McCardle said, shaking his head. "Not something a boy should ever have to see."

McCardle made drama of clamping his jaw and squinting as though into a strong gale.

"What?" Zank hissed at him from the doorway.

"I'm not gonna go in there and touch bedding, Tony. You can catch all kinds of stuff, reaching in old people's beds."

Zank threw the punch before he

knew he was going to, then pushed past his partner and began to tackle the mattress himself. His mother's screams had faded, but some kind of other business was going on down the hall.

"That wasn't necessary," McCardle mumbled. He tugged his soul patch and worked his lower lip indignantly. "I wasn't dissing your moms. It's just, I got a phobia, on account of after her stroke my Auntie Big'n went incontinental. I used to have to tidy up, and it gave me a condition. My hands swelled up like catcher's mitts. It was like havin' paws, and all the kids used to make fun. I loved my auntie, even though she beat me with rolled-up magazines, but her bed gave me some kind of mitt disease."

Zank pounded the nearest wall with his fist. "Jesus Christ, enough! That's not something I need to hear about right now, okay? That's not something I ever need to hear about!"

"Okay! Down, Simba. Maybe you should lighten up on the rock, cuz. You're getting cranky."

McCardle shook his head and pinched the tiny bulb of his button nose, which looked like it had been ordered from a Make-Me-White catalog, though he swore his entire family had been born with them. That tiny nose, and his cocoa hue, were the only things that kept Mac's Martin resemblance from being freakish. This added to Tony's suspicion that his partner in crime had had some nasal work to keep from being stopped on the street and forced to sing "That's Amore."

"I'm only trying to tell you," McCardle persisted, "bed stuff gets me tweaked, on account of my childhood abuse. It upsets my little McCardle. I figured it out in therapy, when I was inside."

By now, however, Zank had stopped listening. He'd stopped hearing altogether, busy as he was peeling off Mom's Seventh Heaven bedspread, followed by her blankets, her sheets and her plastic pad in a frantic effort to retrieve the envelope he'd stashed. The envelope that was going to change everything.

The envelope, he realized as the sound of clicking heels and agitated female voices drew nearer, that wasn't there anymore.

* * *

His mother's ankles felt like hot salamis as Tony Zank held her out the rest-home window.

"You gonna talk, Ma, or am I gonna have to waggle?"

"Are you sure, miss? Most ladies turn me down!"

"Large numbers of lawyers have appeared on Florida beaches, presumably to feed on the sharks."

Plainclothes Naked

He was surprised by how tough she was. And he wasn't loving swinging her out the fourth floor of Seventh Heaven, where anyone could look up and see he wasn't exactly running her a sitz bath. The worst part, though, was the view. Mrs. Zank wore nothing under her nightie, and every time Tony looked down, he got an eyeful.

"Mom-twat," McCardle said, shaking his Dinoesque head. He'd sidled up to give moral support after tying the 90-year-old whose room they'd appropriated, a retired osteopath named Fitzer, to the wheelchair bar beside his bathtub. "Not something a boy should ever have to see. My mom used to get drunk and do splits on a pool table; so I oughta know."

"Do I need to hear about this?" snarled Zank. "Right this minute?"

Originally, the idea seemed simple. Once his mom calmed down and crawled back in bed after her trot down the hall, Tony managed to convince the attendants that she'd been having an "episode."

"She imagines things," he'd confided, looking just ashamed enough to make it sound authentic. "It started when my dad hit her with a bowling pin 20 years ago. Today she thought I was trying to

steal something from her. That hurts, you know? This is my mother. This lady raised me. Plus, and tell me if I'm wrong here, there's nothing in this dump anybody'd want to steal."

Carmella, the big Puerto Rican lady in charge, had cut her teeth in Leisure World and seen it all. Her beehive gave her an extra six inches on top, and her

hips, though shapely, could have smothered triplets. She was the sort of large woman who celebrated her largeness, accentuating it with doughnut-size hoop earrings and brash magenta lipstick plumping up her lips. She neither replied to Tony's explanation nor totally ignored him. Not until McCardle popped out of the bathroom

waving a jar of thyroid medication, mistaking it for speed, did she slam her palm on the bedpan like a tambourine and pipe up. "You wanna ransack the joint, you gotta pay like everybody else, Gomer."

Carmella whipped her hand out to Tony, but her eyes stayed fixed on McCardle, who responded with courtly charm.

"I don't believe anyone has ever called me Gomer before. Not many of us Negro fellows get named that."

Carmella didn't bother to reply, but kept her hand extended until Tony warmed it with a pair of twenties.

"Just don't leave stains," she warned, "and don't put no cigarettes out on the furniture. The inspector from the state board sees burns on the furniture, he's gonna think we're letting residents smoke, which since they tend to nod off—and ain't allowed to have matches—means all kinda bad news. You got me, hombres? Behave your ass in here!"

Before Tony could even thank her, she turned and hurried out.

"You believe that?" he said, checking to make sure his mother was under control. Carmella either hadn't seen his grip on the old lady's wrist, or hadn't cared. "She thinks we don't know half the staff is bangin' old guys for pin money. That's why they hire 'em so young. A smart chick can mop up. Get one of these bum tickers to smoke out in the sack, it's payday. Any family with dough will cough up. Who wants it gettin' out Gramps bought the farm goin' Tommy Lee on some gash whose last job before this was homework?"

Zank shook his head, then turned on his mother and asked her straight out, "Who's been sniffin' around your bed, Ma?"

"What are you, jealous?" she snapped back. "A girl gotta have some fun, even on this crap farm."

His mother didn't talk like this before entering the home. For as long as Zank could remember, she was a mild-mannered, miserable woman who tended to housework and made lunch for the vicious lunk of a husband she'd married at 19 until he keeled over, under questionable circumstances, when she was 40. Decades later, after a bowling party on her 63rd birthday, Zank found her passed out on a throw rug with her face in her needlepoint. It turned out she'd been guzzling a quart of gin a day for years and hiding it. The doctor said it was not uncommon. "It's when they don't get the stuff that

you notice," he'd explained, before announcing that his mom needed round-the-clock care. He suggested a convalescent home, and the cheapest Tony could find was Seventh Heaven. But since moving in with the other seniors, she'd become a gutter-mouth.

"You think you can put the squeeze on me, you're stupid and ugly," she told her son.

"Mom," Zank pleaded, "how come you're talkin' like this? You used to talk nice."

Mrs. Zank snorted. "You had the good sense to bring a bottle when you visit, we wouldn't be in this pickle."

Genuinely distressed, Tony dropped his mom's wrist to tap for the Slim Jim in his jacket pocket. In a second she had her fingers around her ashtray, which she kept in a hollowed-out phone book by the bed. It was a brass replica of William Penn, with grooves in his three-cornered hat for butts. And it made a dent in Tony's forehead like a ball-peen hammer.

"Mom, Jesus!" Tony shrieked. But she was up out of her bed before he could grab her. Lunging for the call button, she thumbed it as she scooted past McCardle, who just managed to nab the tail of her gown.

"I could cry rape," the old lady teased. "You've got your paw pretty close to my thingie. They hang your kind for that."

McCardle cringed, but Tony smiled. "Maybe he likes you, Ma."

"His type always do," she said, snatching her walker and whacking the *America's Most Wanted* grad across the shins. She smiled saucily, then threw

out one exposed old-lady hip and spanked herself. "You think your father was the only one who wanted a piece of angel cake?"

Zank was so horrified he zombied up, staring straight ahead in a catatonic daze. McCardle pulled the walker away from his partner's mother, and when she fought him he tried to punch her.

He'd never hit a woman this old before. Despite topping off at 5-4, he could bench-press 375, and there was a chance he could do damage. McCardle was relieved when she dodged the blow, though it meant that now he had to restrain her. After a brief tussle the feisty senior ended up in a headlock. Not sure what to do next, Mac tried to rouse Tony back to life.

"Come on, big guy, don't go Thorazine on me. Wake up!"

Nervous lest anyone happen by and see him wrestling an elderly white woman, McCardle edged Tony's mother away from the door. When he tried to force her onto the bed, she screamed "Mandingo!" and bit him.

"Hey, ouch, shit!" McCardle cried, trying not to get loud when Mrs. Zank started chewing on his forearm. Her teeth were small but pointy, like a Chihuahua's. He started to pull her hair, but stopped when he saw the frail map of veins under her blue rinse. Her scalp reminded him of his auntie, with her stroke and hygiene problems.

"Tony." Mac tried again, pleading this time, and Zank jerked back to life.

"We gotta split," Tony announced, as if he hadn't just blanked out. "I think the old bitch pressed the call button."

Swinging into action, he scooped his mother under one armpit while McCardle grabbed her under the other.

"Ready?" Tony asked. McCardle grunted and, eyes straight ahead, the two men stepped out of the room and half-marched, half-dragged Mrs. Zank down the hall. They held their breaths, waiting for her screams. But when they finally dared to look, the old lady was beaming.

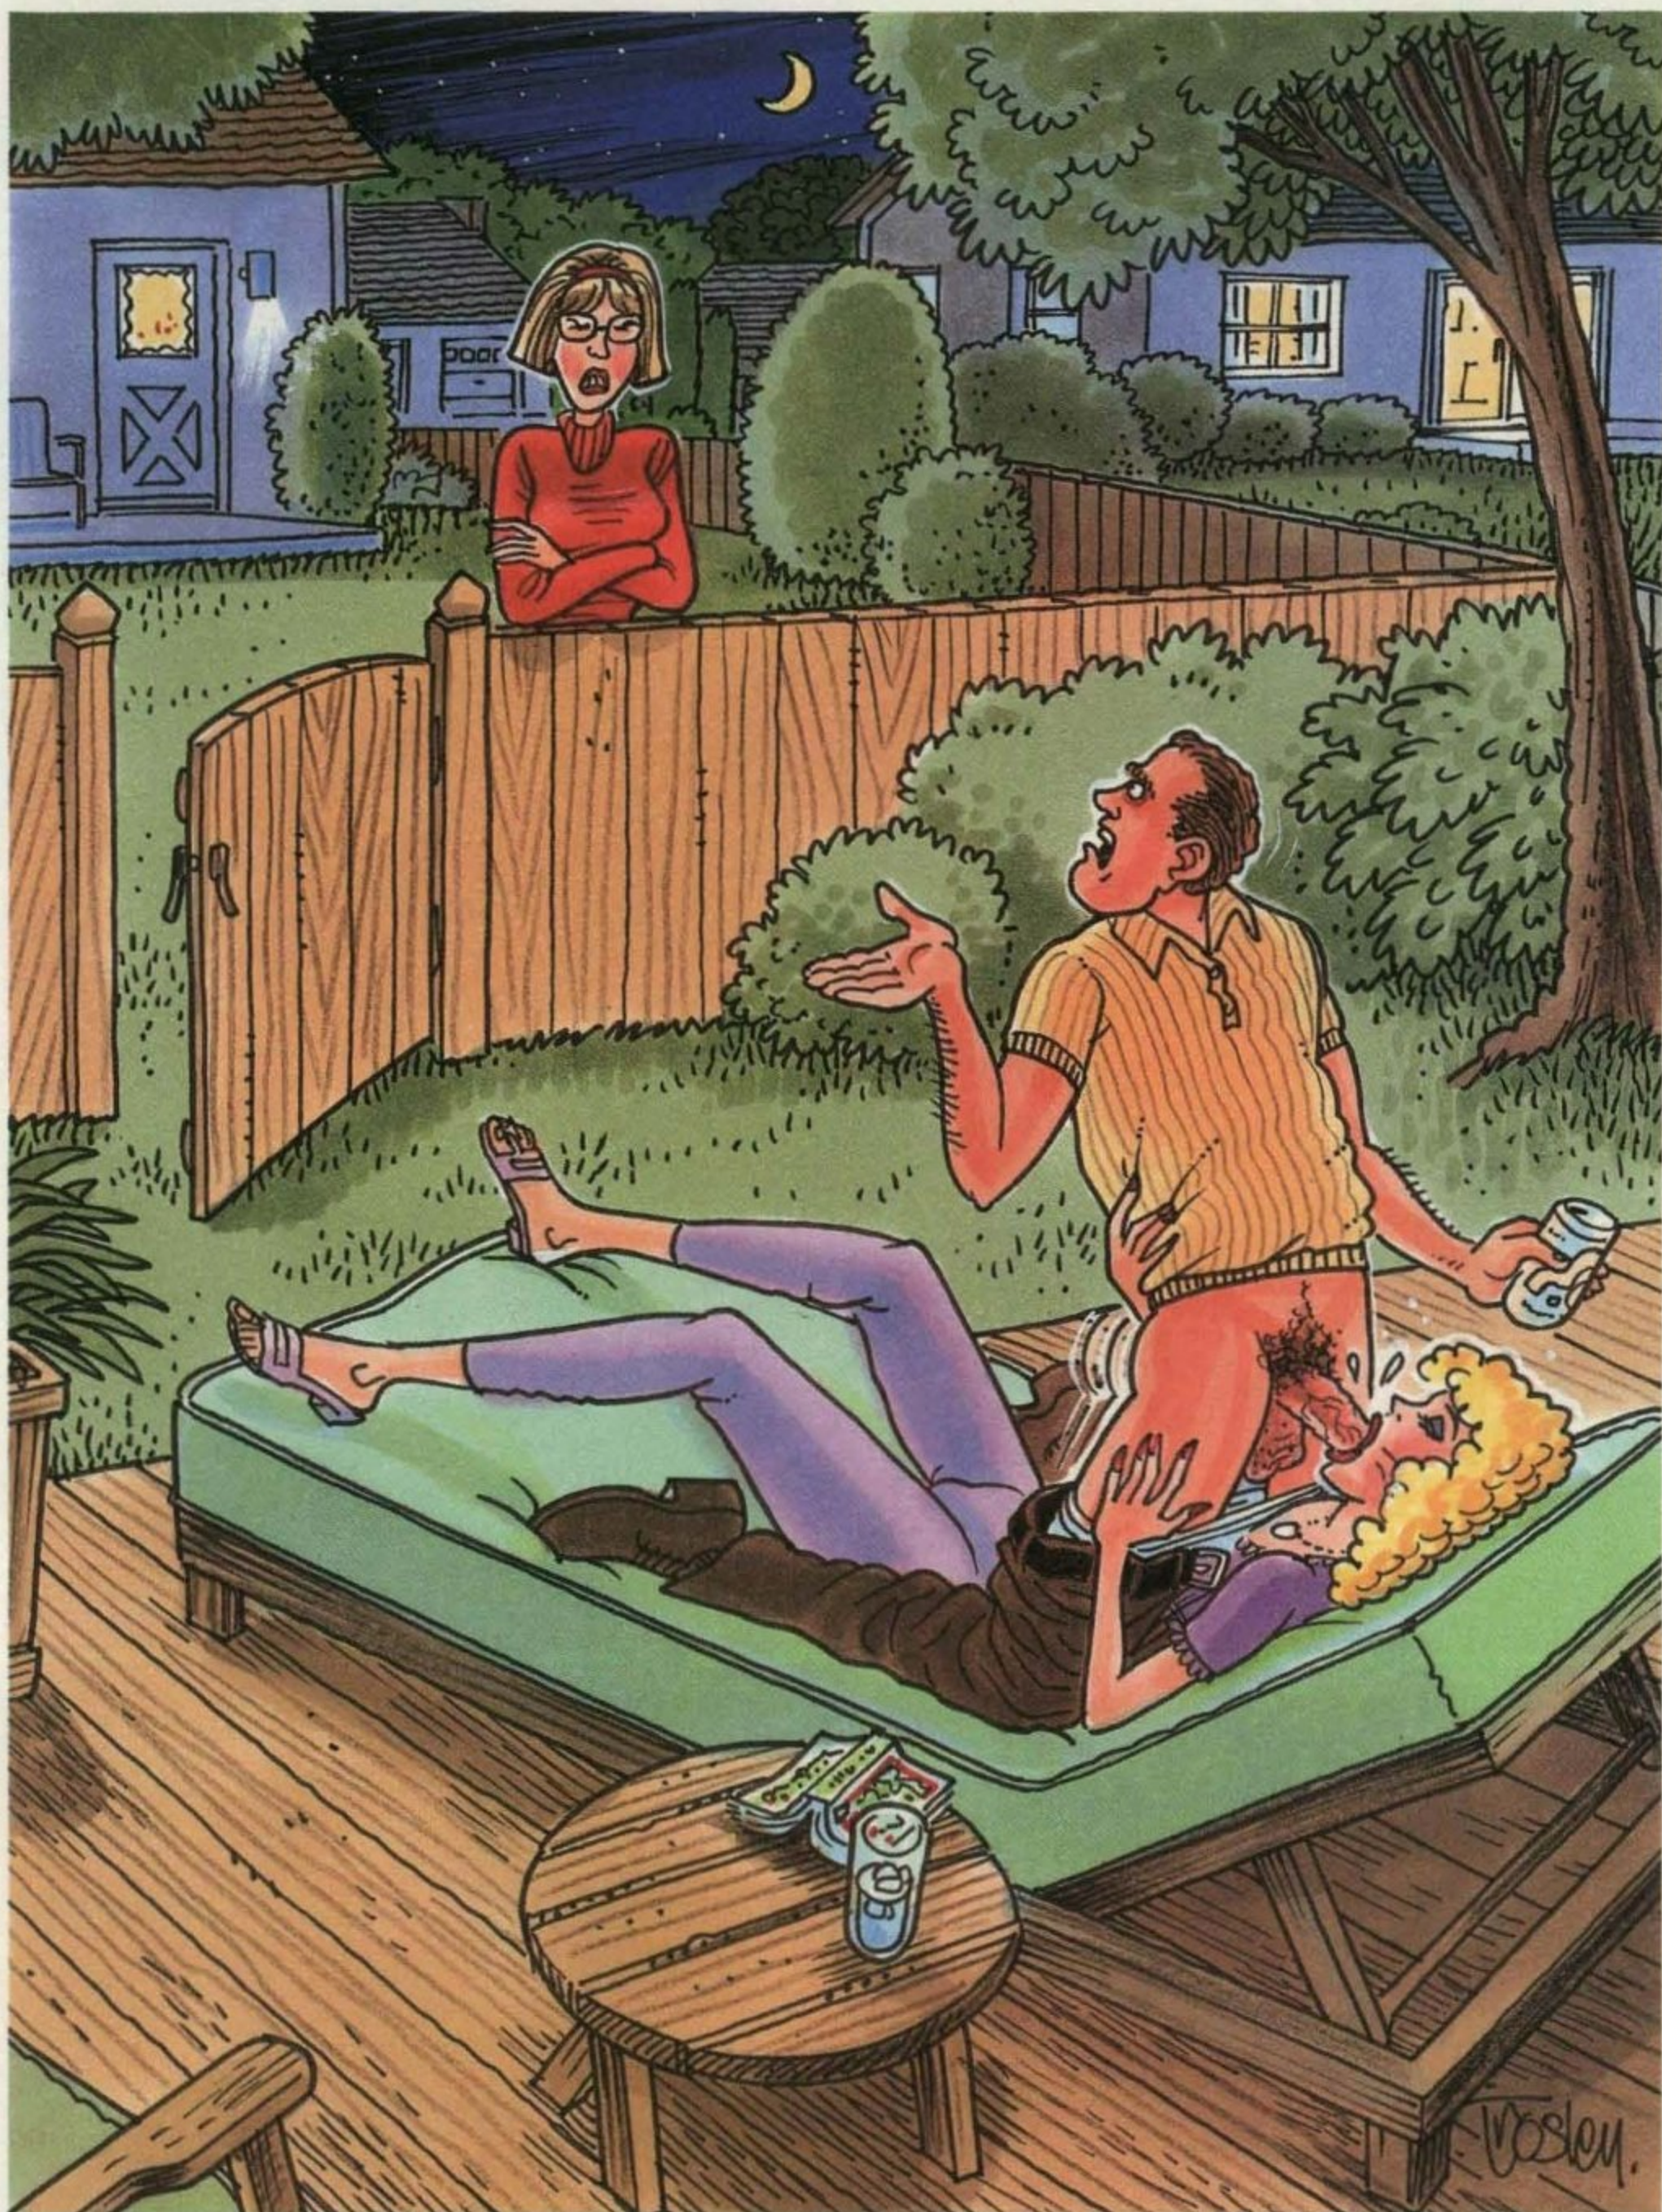

"Check me out, I'm double-datin'!" she called to Snooks, the janitor, who happened to be pushing by with a floor waxer. Snooks was rumored to have gang connections and deal a little. Dr. Dre leaked out of his earphones, and he pretended not to hear anything. One peek at the purple bruise on Tony Zank's forehead, and the face of the seminaked crazy lady, and he made a point of waxing fast toward the other end of the corridor.

When Snooks passed, Mrs. Zank waved happily to a well-coiffed woman in a wheelchair. She even winked. "Don't wait up, Hilda. Tonight's sandwich night!"

The wheelchair woman just stared, and McCardle and Zank tried hard not to look at each other. A fluty voice on the PA said, "All staff (continued on page 106)

"Sex police! Drop the dildo, lesbo!"

"How typical of you! I finally meet our new neighbor. I'm enjoying myself for a change, and you have to ruin it with that 'you're married' crap!"

(continued from page 96) report to Fourth Floor West."

"That's where we are," Tony hissed. "Duck in here!"

They tooled into what looked like an empty room, and it wasn't until Mac turned on a lamp that they noticed the unbelievably old man propped on a wicker rocker.

"Have I had the pleasure?" the ancient fellow piped up, his voice a surprising baritone. He managed to look elegant in a pair of shorty pajamas. "Name's Fitzer. In my time, I was known as a first-class osteopath. My motto is, 'Bones make the man!'"

"Bathroom," was all Zank said, and McCardle nodded. He had the well-heeled senior tied up and gagged with a fistful of Tucks when Tony hung his mother out the window.

"Mom, you ready to spill?" Tony called to her. He hated the way her ankles felt in his hands and wished he'd thought to bring gloves. Of course, he hadn't known he was going to be dangling his mother upside down. If he had, he would have made her wear underwear....

"I'll spill," she cried up at him. "I'll spill the beans on what a little milk-pussy you were as a boy, that's what I'll

spill, you good-for-nothing drug addict."

McCardle fought hard to keep his face in neutral. He was impressed at the way Tony kept his cool. He didn't know what he'd do if his own moms shamed him that way. Happily, she wouldn't be out before 2039; so it wasn't an issue.

McCardle didn't mention that a guy who nibbled Slim Jims after dropping his mother out a fourth-floor window might need a little therapy himself.

"All I want is a name, Ma. I want to know who had access to the bed. That's it. Then I'll let you go."

"Your father never messed around. Did you know that?" his mother shrieked. "Not once! The idiot!"

Tony's jaw began to twitch. He hadn't had any crack for 20 minutes, and it was killing him. He swung his mom

so her head crunched off the ivy crawling up the wall. Then he leaned out the window and called down to her. "I hate when you talk nasty, Ma. You didn't used to do that. You used to whine all the time, but you didn't talk nasty."

"Fell in with the wrong crowd," she yelled. "You dump somebody in this bone factory, they're gonna get wrong pretty fast. Everybody in here's pissed off, 'specially us boozehounds." The effort of speaking upward was taxing, and she let herself sag. "All we got to slurp in here is mouthwash."

By now, people were starting to gather in the plaza under the window. McCardle couldn't watch and decided to check on the osteopath.

"Okay," Mrs. Zank cackled finally. "I saw the girl who took your precious envelope. Her name's Tina, but she'd never go out with you. She hates losers. She likes her sugar with class. We talked."

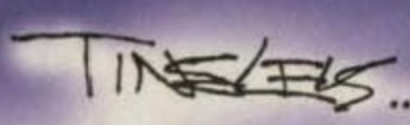

"Mom," Tony sighed, but quieter than before, like he didn't want to say what he was about to say, but he just had to. He didn't have a choice. It was something he'd once heard on *Dr. Laura*. "Mom, when you hurt me this way, I have to let you go with love...."

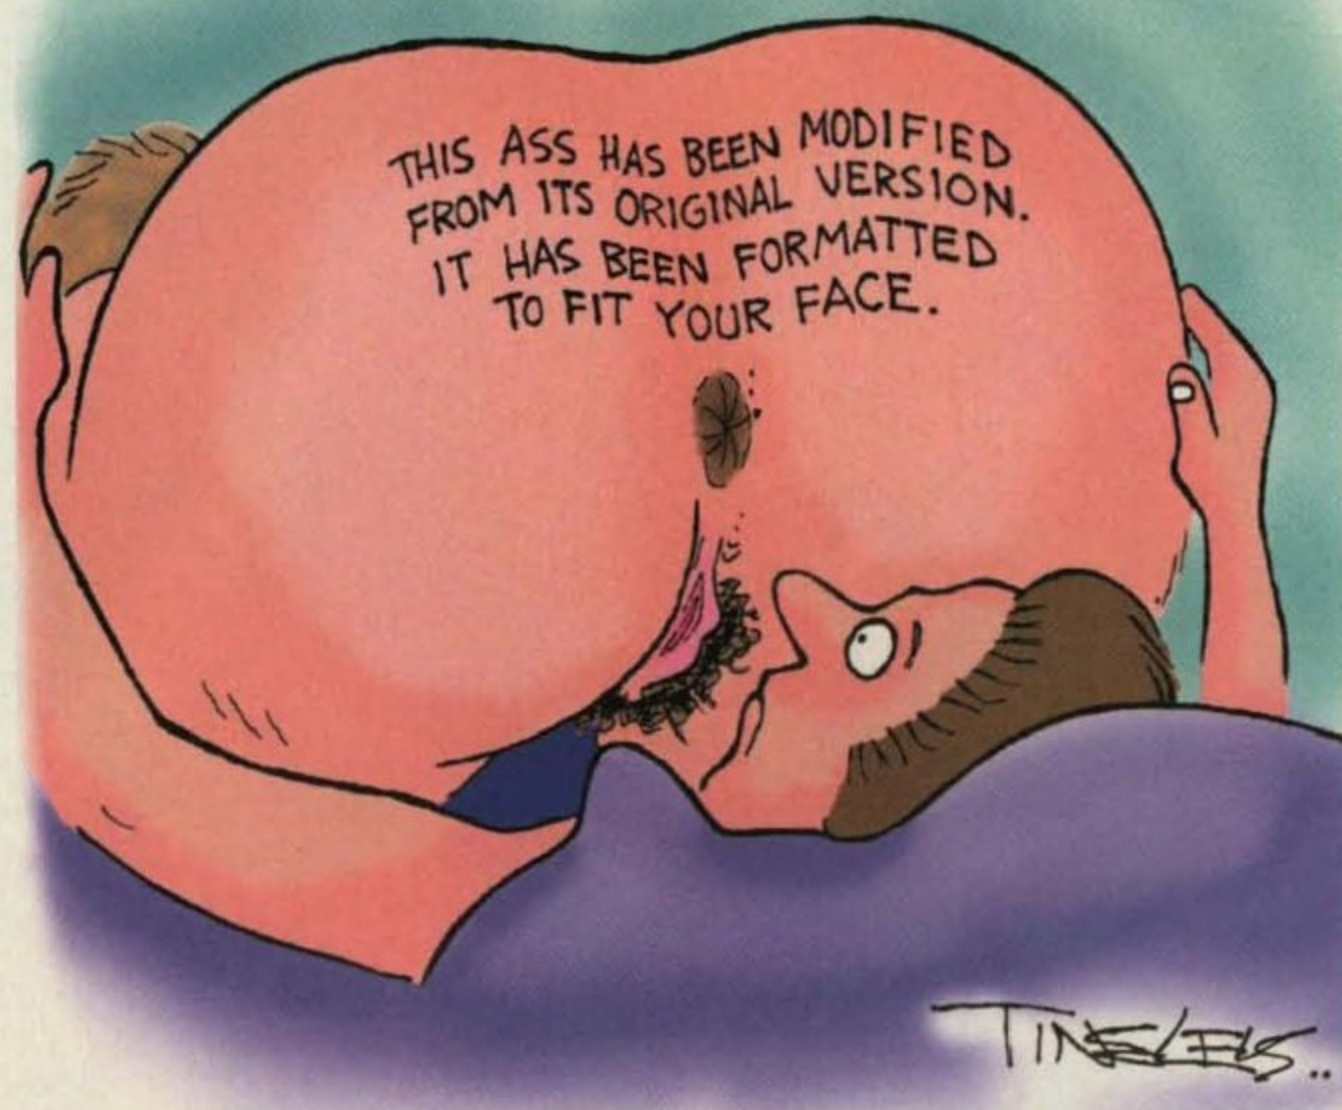

McCardle, who'd popped back out of the bathroom after peeking in on Fitzer, could not quite believe what had happened. At first, hearing the screams and shouting from outside, he told himself that maybe a celeb was visiting. Tony had bragged that Joey Bishop sometimes dropped in to Seventh Heaven to visit his older brother, Rummy. But he couldn't imagine the 70-plus, second-tier Rat Packer getting those kinds of screams.

"We better go," Tony said, slipping a Slim Jim out of his pocket and sniffing it. He had a theory that they made them in batches, like cigars, and some were more vintage than others. "We wanna get painadelic on this Tina chick, we gotta get there before she thinks anybody's comin'."

"Right," said McCardle, but as they were leaving, he kept checking the room. One minute Mrs. Zank's scarlet toenails were poking over the windowsill, the next Tony was walking toward the door, unwrapping a beef stick.

"I wish I hadn't seen between her legs," was all Tony said on the way out.

McCardle didn't mention that he agreed with him. Or that a guy who nibbled Slim Jims after dropping his mother out a fourth-floor window might need a little therapy himself.

The Original LONGITUDE PENIS ENLARGEMENT CAPSULES: Over 100,000 Bottles Sold Every Month

When it comes to Penis Enlargement, you have several options, but only one answer... The Original Longitude Penis Enlargement Capsules, Here's Why:

Clinically-Tested, Women-Approved 100% Natural Longitude Capsules- The ONLY Penis Enlargement Capsules That Really Work.

Longitude vs. Pumps and Weights

The first thing that comes to mind when I think of Penis Pumps, is that Austin Powers movie. I mean really... what would you do if your lover stumbled upon your pump? How embarrassed would you be?

Not to take anything away from pumps- some men do say they work, but I've also heard that it is painful to have your penis being sucked down a clear plastic tube. And remember, every time you use it, you have to spend time cleaning it.

Pumps can cost up to \$150 or more, and as you can imagine, the more you spend, the better your results. But I still think you can do better with Longitude.

And what about Hanging-Weights... OUCH! If you think strapping a few pounds of metal around your penis is fun, count me out. Not only is it painful, it's STUPID, you can do a ton of damage to your penile ligaments. Don't be surprised when you get giant, nasty bruises on your penis that are so painful, you won't even be able to get an erection. Pass on the pumps and weights.

Longitude vs. Invasive Surgery

Ever since hearing about what happened to my college buddy Marcus, I advise everyone I care about to stay away from penis surgery.

Marcus wasn't happy with the size of his penis, so he had an operation with hopes of being "gorilla-sized". But today, his King-Kong dream is a shriveled-up nightmare.

First of all, his penis is so ugly, it looks like a football. And secondly, he lost total sensation in his penis and is not able to get an erection no matter how hard he tries.

He ruined his life. His girlfriend left him, and he is unable to keep new women because of his problem. And just the sight of his penis is enough to make you have newfound love for your penis, even if it is 4-inches long.

Lets pretend Marcus's surgery went well... it still cost several thousands of dollars, he had to go to the hospital and take off work. And just the thought of someone going near my johnson with a knife is enough to turn my stomach.

Longitude vs. Knockoff Pill Scams

As with any great product, greedy scam-artists will knock it off.

Longitude has documented growth of up to 3-inches. Some of our knockoffs go as far as copying our ads almost word-for-word, then simply inflate our claims of 3-inches to 5 or 6 inches. Is their scam pill really going to DOUBLE the size of your penis? I don't think so. They'll say anything to fool you.

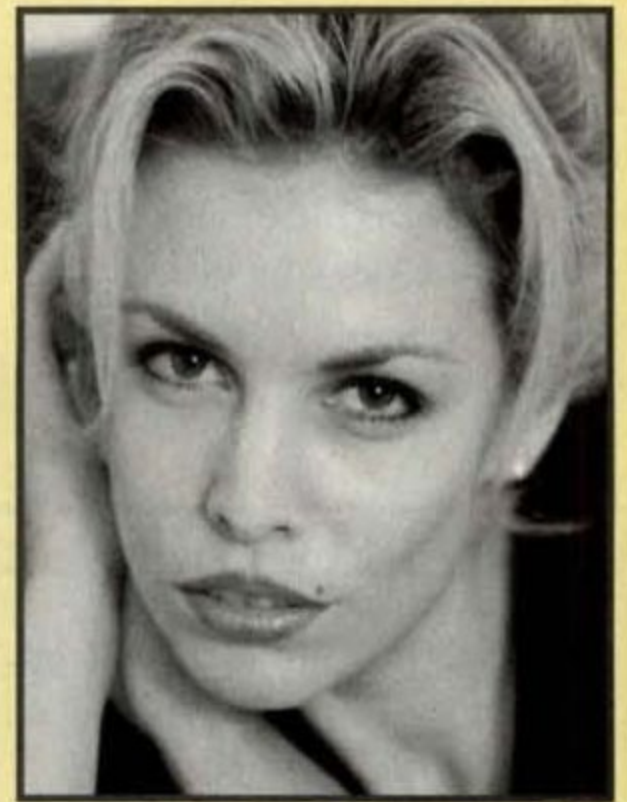

A copycat product will never perform as well as the original. Longitude capsules are formulated in our 47,000 sq. ft. lab that is one of only 20 in the US that has been approved by the NNFA (National Nutritional Food Association) to comply with rigorous GMP standards. (Good Manufacturing Practices). This ensures your capsules will never contain rodent feces, crushed roaches, or things even worse.

Who knows where and how other's capsules are being created? *In a garage?* Knockoffs haven't been known to worry much about quality control. Sure, you may be able to save a few dollars purchasing a fake... but remember, you have to swallow it!

It's your choice... Pumps... Weights... Surgery... Knockoff Scams... or the Original Longitude Capsules... Read my ad on the next 3 pages and call us. Longitude is the only product that will make your penis so long, you won't believe its yours- **GUARANTEED** by over 1 Million Men every year!

Plus, we employ over 100 Nutritional Experts to answer any of your questions. With these knockoffs, you're lucky to get a live operator, let alone someone who knows anything about nutrition. Save yourself time and get the results you're after, buy the real thing.

67% of Women Say They're UNHAPPY With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

*The Average Penis Size Is Just 6 Inches...
But Who Wants To Be "Just Average"?*

Herbal Science Breakthrough!

World-Famous Pharmacist Creates
Revolutionary Herbal Pill That Is
Guaranteed To Increase Your Penis
Size By 1"... 2"... 3"... or more in just
a few short weeks! *(with absolutely
no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe
LONGitude Will:

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3: Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.

Week 4-8: Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.

Week 9+: Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

- Strengthen and harden your erections like a length of STEEL PIPE!

- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.

- Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.

- Intensify your orgasms.

- Achieve more powerful thrusting ability.

- Last as long as you want without drugs.

- Achieve ROCK HARD erections any time you want... your lover won't believe it!

- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.

- And much, much more!

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis...

That's The Average Size

LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

Try LONGitude without risk... here's how:

A One-Month supply of LONGitude (60 capsules) costs just \$59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

You're Guaranteed To See An Increase Of ONE FULL INCH in 30-Days Or You Pay NOTHING!

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

How Can We Be So Generous?

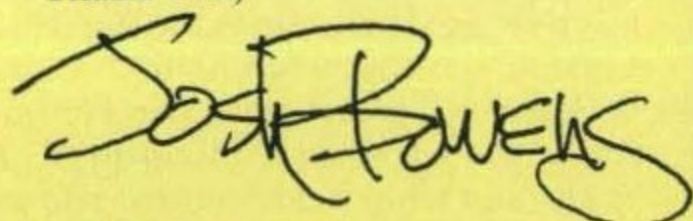

Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where we'll even refund your shipping cost... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. You decide.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,

LONGitude risk-free for one month

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface

area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better "equipped" than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a \$20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just \$39.95, plus shipping - that's \$20 OFF the retail price. Trust me- after a week on LONGitude you will not want to

live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?

LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?

LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are There Any Negative Side-Effects?

Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?

Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?

Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?

LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?

Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?

LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginine, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

Raëlians: Sex, Clones and UFOs

(continued from page 76) less attractive than before. I'm 54 now. There are a lot of young men in the movement who are very beautiful."

Every July, hundreds of Raëlians meet in Quebec, where the group owns land. The gathering puts Raël's free-love theories into practice. "It is a one-week seminar," says Raël. "We teach everything about the Message and being happy. There is a 24-hour fast to cleanse the body and the mind, a lot of parties, many shows and people just happy together. There are a lot of beautiful women naked. The rest of the time, people enjoy swimming in the lake."

The classes include sensual massage and coed painting sessions, where devotees rub paint on each other's naked bodies. Between teachings, the Raëlians play nude volleyball.

"I was in an exclusive relationship when I became a Raëlian," says Florence, a Frenchwoman who presently resides in San Francisco. "I started a new life. I was not the same Florence that I had been even a few months earlier, and then I discovered I was bisexual."

On the Canadian property, Raël's condo is connected to UFOland. The small theme park is basically a building that houses a replica of the spaceship

that transported Raël (which some members insist is a working model) and a 26-foot sculpture of the human DNA structure.

Raël moved from his native France to Quebec to escape what he says is religious persecution at the hands of the French government. "They try to make rumors about pedophilia, which we are

The classes include sensual massage and coed painting sessions, where devotees rub paint on each other's naked bodies.

against. We are for sexual freedom for adults only. Any time you are in favor of sexual freedom, people try to say you favor pedophilia."

While Raël opposes pedophilia, ten years ago he married the 16-year-old daughter of one of his disciples. "She was less than 18 when I met her, and I did not want to go to jail; so we got mar-

ried," says Raël. "When she reached the legal age, we divorced, because we are against marriage."

Married or not, the couple enjoys an open relationship. Or, at least, Raël enjoys the relationship's openness. "She is not a very sexual person; so she is very happy if I can find what she does not enjoy so much with other people. She's happy with once a week, and I need more; so I find it somewhere else."

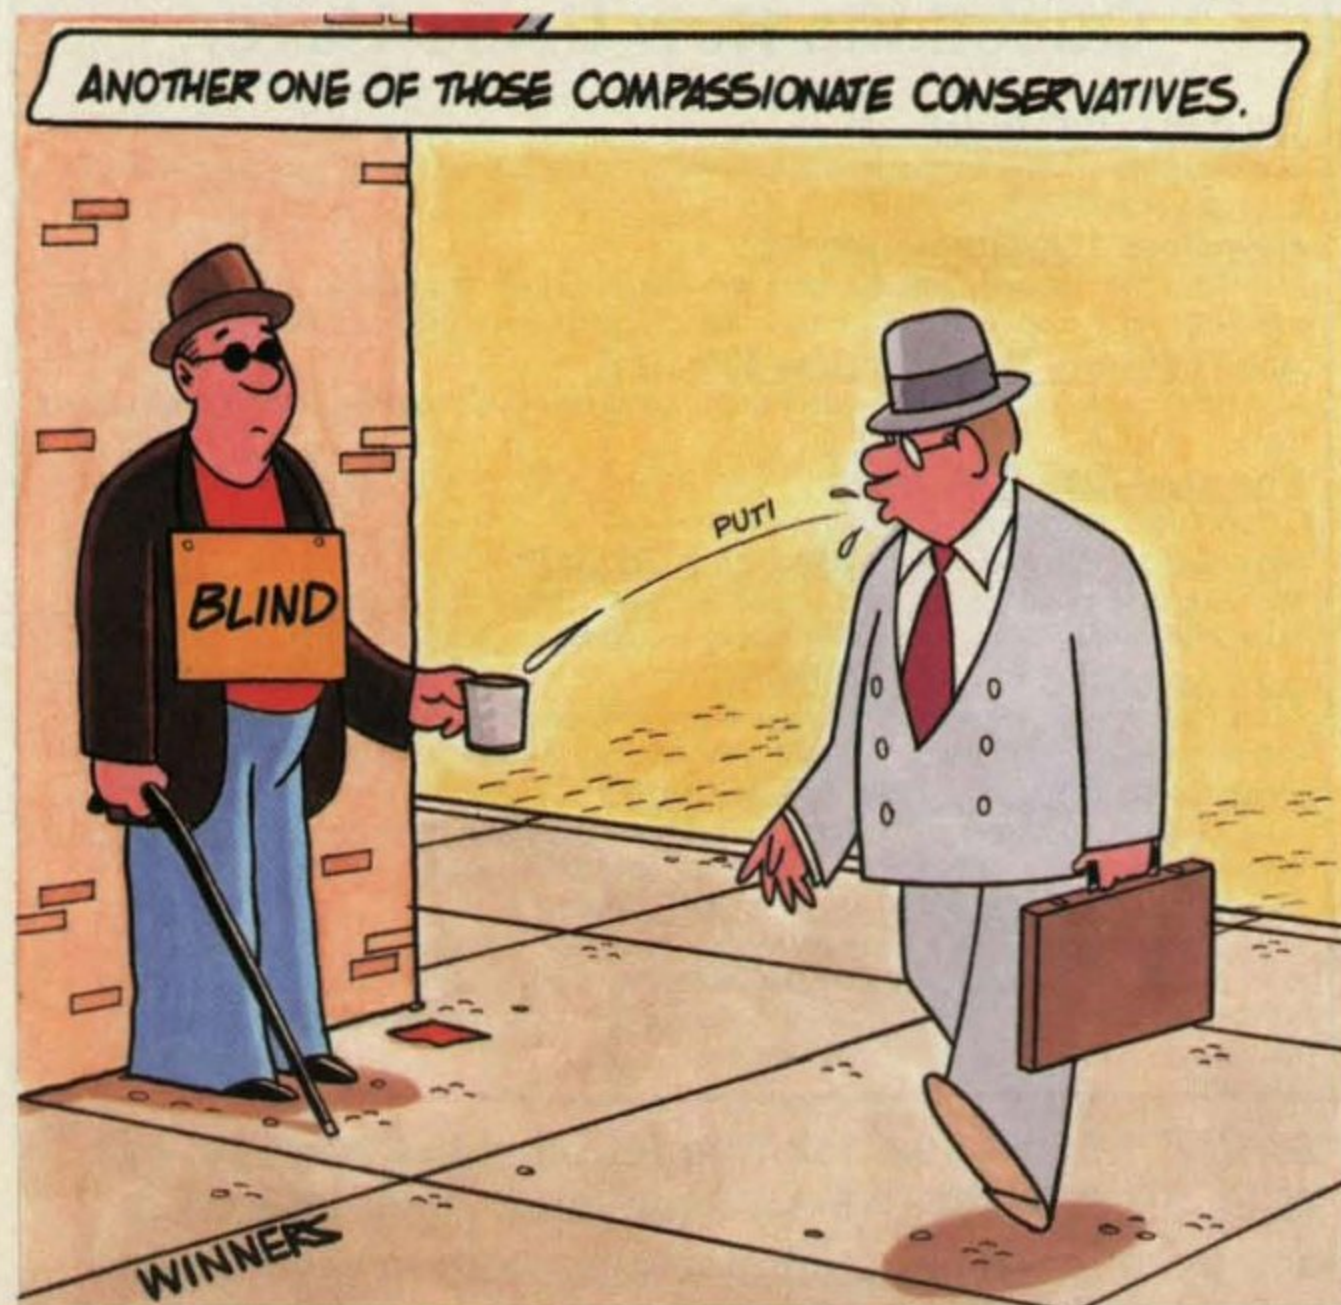

Although Raëlians believe that the human race was created on April 1, the Raëlian calendar begins on August 6, 1945, the day that the United States bombed Hiroshima. According to the Raëlians, the event brought about the Age of Apocalypse.

To usher in Raëlian year 56 AH (After Hiroshima), Bishop Guide Jeri Conway is throwing a New Year's Eve barbecue and pool party at his Simi Valley, California, home. Fresh from their Quebec retreat, the 20 Raëlians in attendance seem to be in excellent spirits. Raymond Jubinville, the French-Canadian from the Canoga Park get-together, arrives with a girl who he met at the Quebec event. Raymond seems to take Raël's free-love message seriously. He strips down to a Speedo-type swimsuit and rubs his new friend's pubis through her bathing suit while ogling another female.

Holding court poolside is old-school Raëlian Phillip Lambro, age 66. Lambro is a composer who has scored such films as *Murph the Surf* and *Chinatown*. (Unfortunately for Lambro, the producers of *Chinatown* replaced his score with that of another composer.)

Lambro says he has been a de facto Raëlian since he was five years old, when people in space would talk to him. Lambro came across Raël's tome at a New Age bookstore in the late '70s. Lambro says that when he first spoke to Raël, the guru said, "Get me on American television." (According to Raël, the Elohim told him that television is "the most important aid you have to reach a long and lasting world peace.")

For the past 17 years, Lambro has been trying to make a movie version of Raël's life story. "All I need is \$175 million; this is a huge story. This is bigger than *Star Wars*. I'm aiming for four hours. Look how many movies and television and books have been done on Jesus. Raël is the present-day Jesus. I would like Paul Verhoeven to direct it, but Raël wants Steven Spielberg." 🌐

(continued from page 51) halfway off the strap-on.

"Thanks for everything, coach," Irina said, smiling.

Tyla stood in the mist and hugged me to her big, brown rack. "You deserved this and more," the meaty guard sighed, grabbing Marie by the harness and jamming the dildo back in.

One by one, the athletes and cheerleaders bid their goodbyes. When Marie yanked the shit-glazed prong from my colon and went off, hand in hand, with Brody, the season was over.

My gang-bang brought me closer to both teams, and the basketball girls and cheerleaders closer to each other. Next year, there will still be almost 20 of us who can bust each other, if we're inclined to bring down the school's female sports program. Mutually assured destruction never tasted so sweet.

Scat Snatch Fever

I'm writing to tell you about the most fucked-up girl I've ever met.

Saturday, a bunch of guys went out to Mill Pond with a keg, and the party just took shape around it. Alia was shitfaced from the start. The skinny brunette chased every beer with a pull from the pint bottle of peppermint schnapps she carried around with her like a winning Powerball ticket. The little souse produced it only long enough to toast herself, then tucked it away before anybody got ideas about sharing.

Aside from a nose like Dick Tracy's, Alia was fucking gorgeous. I stuck my hand in her hip-huggers to draw the stumbling princess's attention, then thumbed her crack until she flashed a bleary smile. When she tried to make small talk with me even as she fought an urge to puke, I knew I was in.

After Alia purged herself into relative consciousness, I drove us to her basement apartment. The dump was unfinished and smelled like an alley, which perfectly complemented the lush's pukey breath. She plopped down on the unadorned concrete floor next to a drain and proceeded to blow me.

The slender vixen's vomit-burned yap tingled on my pud. Faunlike and slutty, she was hot enough to fuck on her worst day, which was probably today. I squatted over her bobbing face and

tried to imagine her sober and clean. My cock distended her cheeks, causing some of the dried barf to flake away. As cocksuckers go, she was okay, but nothing special; her lips had shown a lot more enthusiasm while wrapping themselves around the schnapps bottle earlier in the evening.

Grabbing my belt, Alia pulled her skull off my flushed, spit-shined pecker and hoisted herself up so her solar plexus knocked up against the throbbing member. I held her under the armpits and used my johnson to lift up her yellow crop top, exposing tiny titties crowned with stiff cones. The minims were too small for a boob fuck, even when she pushed them together, but I traced one with my dick and let the rubbery nub catch the edge of the tip anyway. A fine way to kill time, but not likely to bring me off.

Alia was of a similar mind. "Stick it in," she burped, licking her lips.

Assuming that her snatch was too disgusting to eat out, I told her to crawl onto her hands and knees. That way, I figured, the slurring sweetheart would be okay if she had another stomach-sneeze in her.

Not every skinny girl has an ass, but the bubble butt that jiggled out of Alia's

pants made up for her bounceless top-side. I aimed my rod straight for the clam. Facing resistance at first, I hawked a gob of spit onto the drunk girl's gash. I feared a dry hump ahead, but about an inch in, my pud found a gooey patch that had been hiding up Alia's cunt, waiting to be tapped.

I pumped the soiled bitch hard. Initially she pushed back, working her rump to either side, but eventually she just grabbed the legs of a glass-topped coffee table and hung on.

My prick went off like a semiautomatic. I hurled a few dollops of jizz into her tight slit, pulled out and popped her in the back of the head, the small of her back and on the left ass cheek.

Guessing that the rummy wasn't going to be good for anything else, I wiped my cock on her thigh, zipped up and prepared to take off.

"Hey!" I heard from the pile of nasty skank I'd left on the floor. "I ain't done!"

I know it's ungentlemanly to leave without bringing a lady off but, cute as she'd been, Alia seemed particularly foul just then. Hoping she'd remember to douche before the baby set, I got the fuck out of Dodge.

When I saw her a week later, at another spontaneous (continued on page 129)

"Gary Condit must've finally told the truth."

DEPT HUBL0125

When she was sober, Alia knew fellatio up and down. I mashed her head into my crotch, shoving my jimmy deep into her throat.

(continued from page 121) party at Mill Pond, Alia looked great again. Either she'd been too drunk to remember my hasty exit, or she'd forgiven me. We made it to her place after only a few beers (and one or two big swallows of schnapps).

The slender ginch ground her crotch into my leg so I could feel the stoked furnace under her shorts. I shucked her clothes like I was in a corn-husking contest and shoved her down on her sofa. Her skin made a *bra-a-a-a-p* sound as she reclined. I noticed a heavy, plastic slipcover that hadn't been there last week. Tonight, to my delighted surprise, she seemed more sanitary; so I lifted her ass from the couch and ate her out despite a lingering trepidation.

Alia's pussy was shaved and sweet. If the girl was an alcoholic, the demon rum hadn't stunk her up yet. I coated my chin in her juices, bringing yelps of encouragement from the fine brunette. Alia's elastic poon took three fingers with ease; the fourth brought a moan of protest, and the thumb elicited a cry of delight. There was no wiggle room; I couldn't have closed my hand without hurting her. With a loud noise, the overfull cutie sat up and rode my wrist to orgasm, bouncing like crazy in a futile effort to add some in-and-out motion to the stubborn blockage my mitt made inside her cooter.

I carefully removed my right hand and undressed with my left. I propped myself on all fours over her, letting the tip of my hard-on throb against her narrow tummy.

"Want to make me scream?" she asked, panting. I shrugged, wondering what she had in mind.

In a practiced move, the sugar-twatted missy slid down the sweat-drenched plastic, under the glass-topped coffee table.

"Pee over me," she gasped, licking the underside of the tabletop.

I gestured to my wood. "You're kidding, right?"

Instantly realizing her error, Alia scooted back and suckled my angry bone. Her lips clamped around my shaft as I fondled her tough, little nips and pushed them into her chest with my thumbs. Grabbing her neck and banging her face hard, I once again marveled at the difference between the slurping wildcat on my jock and the sloppy broad I'd come all over last week. No doubt about it—when she was sober, this girl knew fellatio up and down. I mashed

her head into my crotch, shoving my jimmy deep into her throat, and felt her panting through her nose, probably excited by the golden shower she was angling for.

I'd never done that; pissing and shitting and all the scatological stuff hadn't appealed to me. I let her back off my pud and lick it like an ice-cream cone. Alia brushed her lips against the tip of my dick, barely touching the raging member with her tongue.

"Gonna come on me?" she whispered.

By way of reply, I coated her with nut frosting pretty well. I decorated her cheeks and chin with the care of a pastry chef and the muzzle velocity of a Makarov. She grinned through the point-blank white spatter and caught the last blasts in her yap. Alia licked all the splooge her tongue could reach, then scraped the rest with her finger and lapped that away too. The jizz-hungry babe nipped my sac playfully.

"How 'bout it?" she inquired.

I batted at her nose with my deflating cock. "I don't think so."

"Come on," the canny bitch coaxed, shoving her tongue behind my bag in an awkward attempt to reach my asshole. "Piss on the glass, and I'll

fuck you in the morning."

That did it. I turned her over my knee and spanked her.

"I-don't-want-to-piss-on-you," I said, timing my words to the swats. "And-I-don't-want-to-be-here-in-the-morning!"

Her ass cheeks turned beet-red.

"Harder," Alia moaned.

I felt a twinge in my dick, but it was still recovering from the ball-basting I'd handed out a minute before. *She's becoming a little demanding*, I thought.

I dressed myself, letting Alia go wash her face. Zipping my jacket, I heard the water running and realized I needed to use the john.

"Okay," I sighed when she returned.

"Get under the coffee table."

Alia gave me a deep kiss.

"You're staying?" she gushed. I whipped out my dick, stood over the table and started pissing.

"Hurry up," I said.

Not only did I urinate on her coffee table—I took a dump too before I left. It was easy, and the filthy slut had a good time.

Natural Male Enhancement

ENZYTE™

Medical and Scientific Breakthrough

Enzyte was developed by Dr. Fredrick Thomkins, a physician with a biology degree from Stanford and Dr. Michael Moore, a leading urologist from Harvard.

The two collaborated for 13 years studying human blood flow.

"Of course I was skeptical, but the results are phenomenal. Enzyte is the real deal!"

S. Hamilton
Louisville, KY

They concluded that with the right hormonal stimuli, blood can be forced into muscle and tissue chambers, and that over a period of time, these chambers will substantially stretch and elongate. The result is the world's only all-natural supplement for penile enhancement. In simple terms, Enzyte is a blood flow stimulator, which makes the most of your natural potential.

How it Works

The penis is made of two erectile tissue chambers. When aroused, blood flows into these chambers, producing an erection. The more blood that is pumped into them, the larger you will be. The active ingredients in Enzyte naturally push more blood into the chambers. Over time, as the chambers stretch, more and more blood will be forced in, creating substantial growth in both length and roundness. Over the course of the 8 month program, your erectile chambers, as well as your penis, will enlarge up to 41%.

The first all-natural male enhancement program that adds two to three inches to your size in just eight months or get double your money back.*

"He is much more confident, it's just so sexy."

L. Kincaid
Toledo, OH

Maximize your love life

In a recent survey, 87% of women secretly revealed that they wouldn't mind if their partner had added size.

Enzyte can take you there.

100% Safe with a 98.3% Success Rate

Enzyte is as safe to take as a daily vitamin with absolutely no side effects. Simply take two capsules each morning.

Results Guaranteed*

Try the 8 month enzyte program and if you're not completely satisfied, we'll send you double your money back.

"Absolutely unbelievable! I would recommend it to anyone."

YOUR PENIS IS SMALL

ALL PHOTOS ARE UNRETouched AND ARE OF THE SAME PENIS IN A 20 MINUTE TRIAL PERIOD.

BUT IT DOESN'T HAVE TO BE.

ANY MAN, ANY AGE, ANY RACE CAN ACHIEVE A LONGER, THICKER AND HARDER ERECTION.

With the new European Pulsating Penis Growth System, 9 out of every 10 men show permanent gains on average up to 5 3/4 in. Acceptable for any age (18-74), penis enlargement systems have been considered "Simple, Safe and Effective" by the U.S. News And World Report. (8/24/92) No prescription is needed, and is a highly recommended treatment for small penis size, impotence and pre-mature ejaculation over any risky and unneeded cosmetic surgery. This pump growth system utilizes a 100% pure vacuum tight seal and is one of the only European systems equipped with a vibrating chamber that will slide up and down your penis while you watch it grow. This growth and enlargement system also can increase the amount of ejaculation fluids by 50%.

DOCTOR DISCOVERS PILL TO ENLARGE YOUR PENIS!

PRO+PLUS PILLS WILL WORK FOR YOU!

WE OFFER A 100% MONEY BACK GUARANTEE!!

No Pumps, Exercises or Prescription!

**Doctor Approved Pill Will Enlarge Your Penis
up to 4 Inches!**

**You Will Have These Penis Gains
In A Few
Weeks!**

Just imagine when your sex partner sees how thick and long and hard you are. How about when men will gasp with envy the first time they see the new you in a locker room, shower or gym. Your larger penis will give you the confidence to meet the challenge of any woman. Penetrate deeper and see just how much greater satisfaction your sex partner will have. You will feel in total command because now any possibility of going soft, and premature ejaculation will be eliminated with your new rock hard much larger penis.

HOW DOES PRO+PLUS PILLS ENLARGE YOUR PENIS?

The corpora cavernosa are the two spongy bodies of erectile tissue on either side of the penis. An erection is caused by blood filling the erectile tissues. But what if the erectile tissues were made larger? What if you could somehow expand the size of the erectile tissues? Then of course the erectile tissues would hold more blood and you would have a significantly larger penis. Blow up a balloon with more air and you have a larger balloon. Fill the erectile tissues with more blood and you have a larger penis. Without any effort on your part, without any exercising, pumping or stretching, PRO+PLUS PILLS will expand the erectile tissues longer and wider and fill the erectile tissues with a larger supply of blood so that your penis will gain up to 4 inches in what has been described as a miracle. **You can make that miracle happen.** You can have the penis size you always dreamed of with the PRO+PLUS PILL and we GUARANTEE IT!

IS YOUR PENIS SIZE AVERAGE?

You probably have heard or read somewhere the average penis size is about 6 inches. If your penis is 6 inches and you want to be average then don't read any further. But if your not satisfied with an average or less than average size penis, the PRO+PLUS PILLS will help you grow up to 4 inches and it is perfectly safe and it is your secret because you can take the PRO+PLUS PILLS without anyone knowing that you are taking it.

HOW LONG WILL IT TAKE TO ENLARGE YOUR PENIS?

In a couple of weeks the most noticeable change will be the width of your penis and longer lasting erections. Then after a month or two you will see a change in the length of your penis and again you will notice a thicker and wider penis. As you stand in front of a mirror you will be amazed even without an erection how your penis will 'hang' longer and thicker. After the third month when you have an erection you will see a very noticeable change. Not just in size but your penis will look firmer, stronger than you ever dreamed possible. **No pill sold anywhere can give you the maximum potential you want in two months.** Why settle for less when you can have much more. WHAT EXACTLY IS THE PRO+PLUS PILLS?

Discovered by Dr. Dmitri Zorken and his research team PRO+PLUS PILLS is a powerful natural herbal penis enlargement formula that increases penis size, stronger erections and maintains your sexual virility. Combining the formulations of the type of herbs found in many parts of the world that can enlarge the penis erectile tissues. We also included some of the same type of herbs found in Polynesia where the men of the Manganian tribe have sex on the average of 3 times a night, every night. While this is not what you may wish, it is nice to know your sexual performance can improve substantially.

HOW BIG IS BIG AND HOW MUCH DO YOU NEED TO SATISFY YOUR PARTNER?

Consider the difference between a 7, 8 or 9 inch penis that is thicker and a penis that is 4 to 6 inches and narrower. With a larger penis you penetrate more sensitive areas of the woman. Your longer penis probes deeper searching those special nerve endings. The added width to your penis fills and presses her from side to side to give your partner the most exhilarating sensations. **It is possible for you to reach the most sensitive area of all, a woman's G-spot.** These sensations will produce for a woman the ultimate multiple orgasms. At the same time because you are reaching a woman's most sensitive areas with your larger penis you will receive more pleasure to your sensitive nerve endings. Just knowing you are giving your partner this pleasurable experience will certainly give you the added confidence of being a better lover.

WHAT WILL THE PRO+PLUS PILLS DO FOR ME?

- ▶ A longer, thicker penis. Penis Enlargement up to 4 inches or more
- ▶ A longer, thicker penis even when you are not hard. Because there is more blood flow to the penis, your penis 'hangs' larger all day.
- ▶ You will have bigger, harder erections. Because of increased blood flow your erections grow harder.
- ▶ Erections when you want them. Rock hard erections every time. No more problems because you can't get it up and keep it up. PRO+PLUS PILLS will keep the blood flowing to your penis so you will always get hard and stay hard.
- ▶ Stronger and more intense orgasms
- ▶ Stop premature ejaculations
- ▶ Safely enhance the size of your penis.

WILL THE PENIS ENLARGEMENT BE PERMANENT?

Yes it is and you control the growth because once you reach your optimum size you could stop taking PRO+PLUS PILLS for Penis Enlargement. We say you could stop taking the PRO+PLUS PILLS because it is not necessary to be larger than 9 or 10 inches. Most women can only comfortably accommodate a 9 or 10 inch penis. Anything larger than that may be too large for most woman. Nine inches or more than 9 inches, the choice is yours.

Peep-Show Show-Offs

Exhibitionists Turn the Tables on Strippers

by Jack Schack

Illustration by Godfrey Daniels

On his way to his insurance job in downtown San Francisco, Tom walks into a local peep house. He changes a \$20 bill for a fistful of quarters and waits for his favorite booth, the one with the largest two-way window, to become vacant.

After a few minutes, an elderly man hastily exits the sticky-floored masturbation chamber. Tom enters, locks the door behind him and inserts a few quarters in the beatery's coin slot. A partition rises, revealing a small, mirror-lined room populated by four girls prancing around naked. One dancer makes her way to Tom's window. She bends forward, spreads her ass cheeks, and positions her pussy and anus in the window for her peeper to admire. Between her spread legs, she can see Tom, who now has his pants around his knees and his penis in hand.

The white-collar pervert motions for the girl to come closer for a better view of his engorged phallus. She obliges by pressing her face and tits against the glass. Certain that she is watching, Tom pulls a birthday candle out of his briefcase and inserts it up his urethra. He then takes a larger taper and shoves it up his ass. After lighting the two candles with his Bic, Tom dances around with a goofy grin on his face. The girl laughs at the bizarre spectacle.

Tom pulls the candle out of his rectum and, with the wick still lit, shoves the feces-covered end into his mouth. The dancer gags at the sight, but her horror only fuels Tom's passion; he pulls the small candle out of his peehole and violently strokes his shaft until his semen extinguishes the flame.

The time expires, the partition drops, and Tom wipes himself off with the conveniently supplied Kleenex on the wall. He pulls up his pants, carefully places his candles back into his briefcase and continues on his way to work, arriving just in time for his first appointment.

The majority of peep-show patrons pay to watch nude girls, but a significant portion of these men derive their thrills from performing various acts in front of their captive and naked audience.

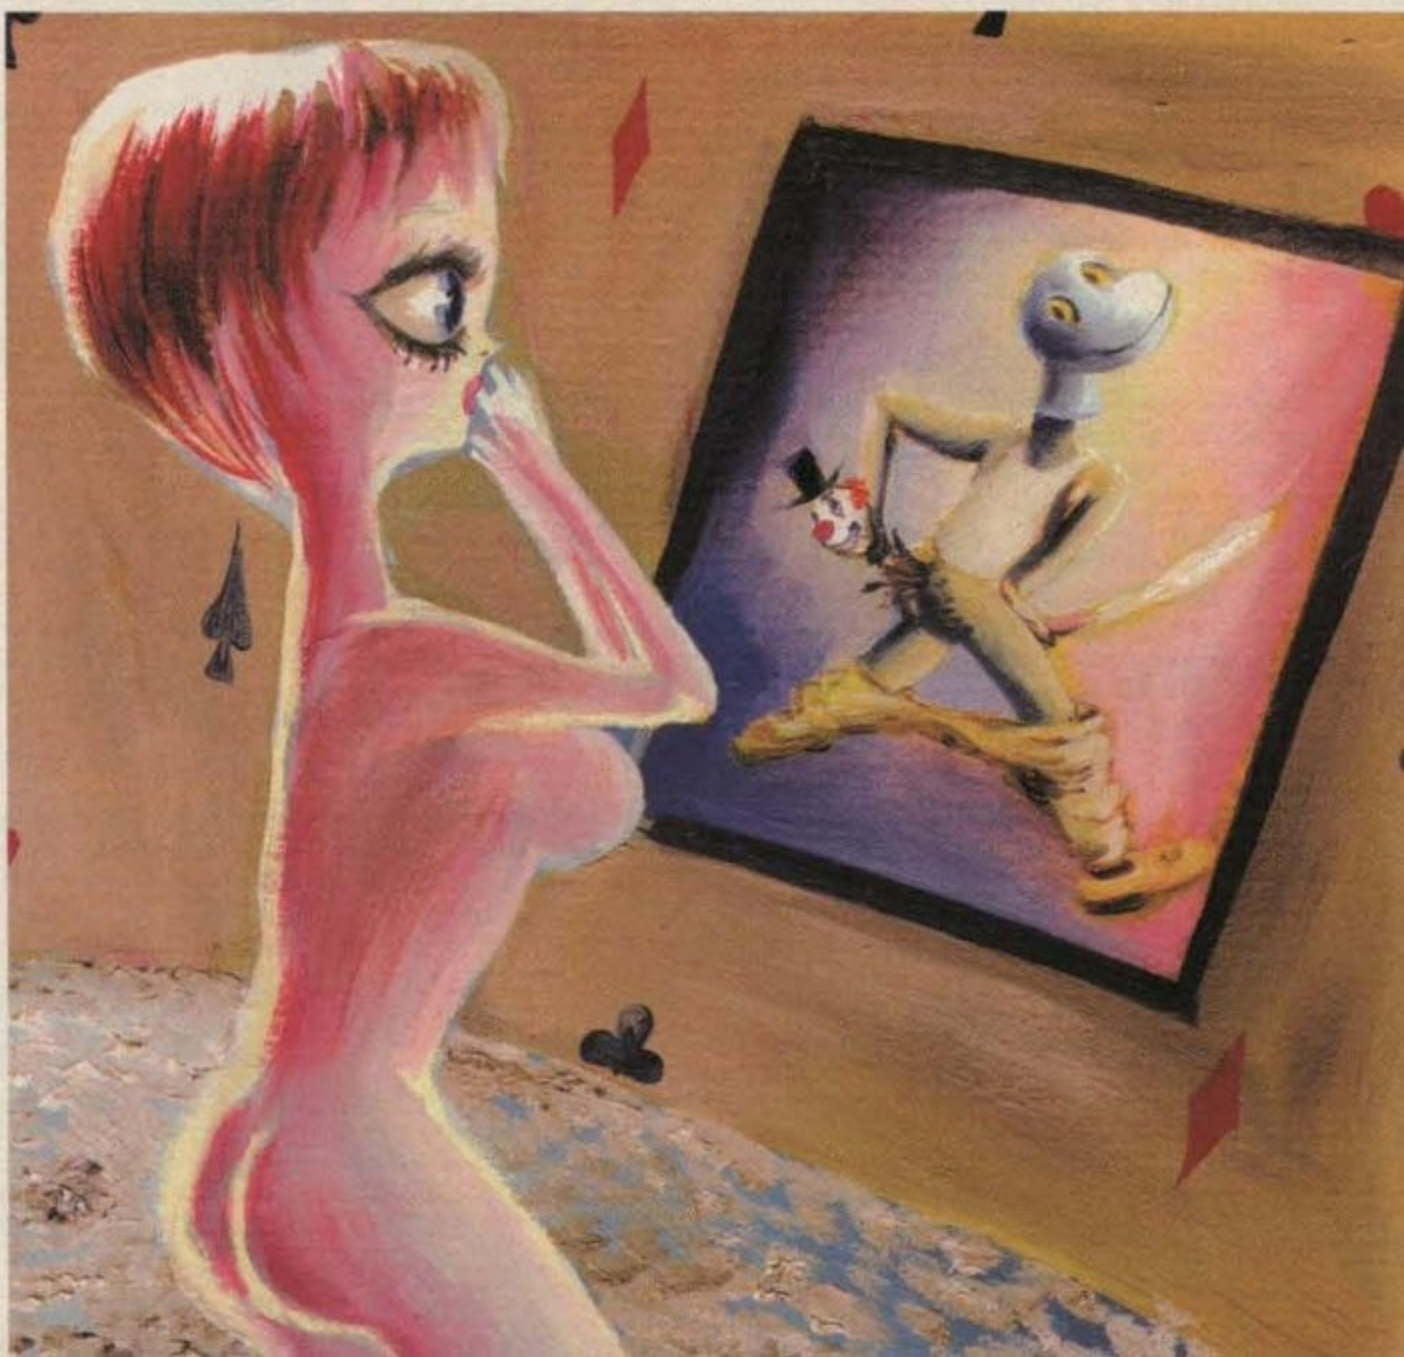

Carol Queen, a sexologist and former peep-show worker in San Francisco, describes a frequent customer known to the dancers she worked with as "Dildo Man." "He had a dildo with a suction cup on it, and he would stick it right on the window and lube his butt up and back right into it."

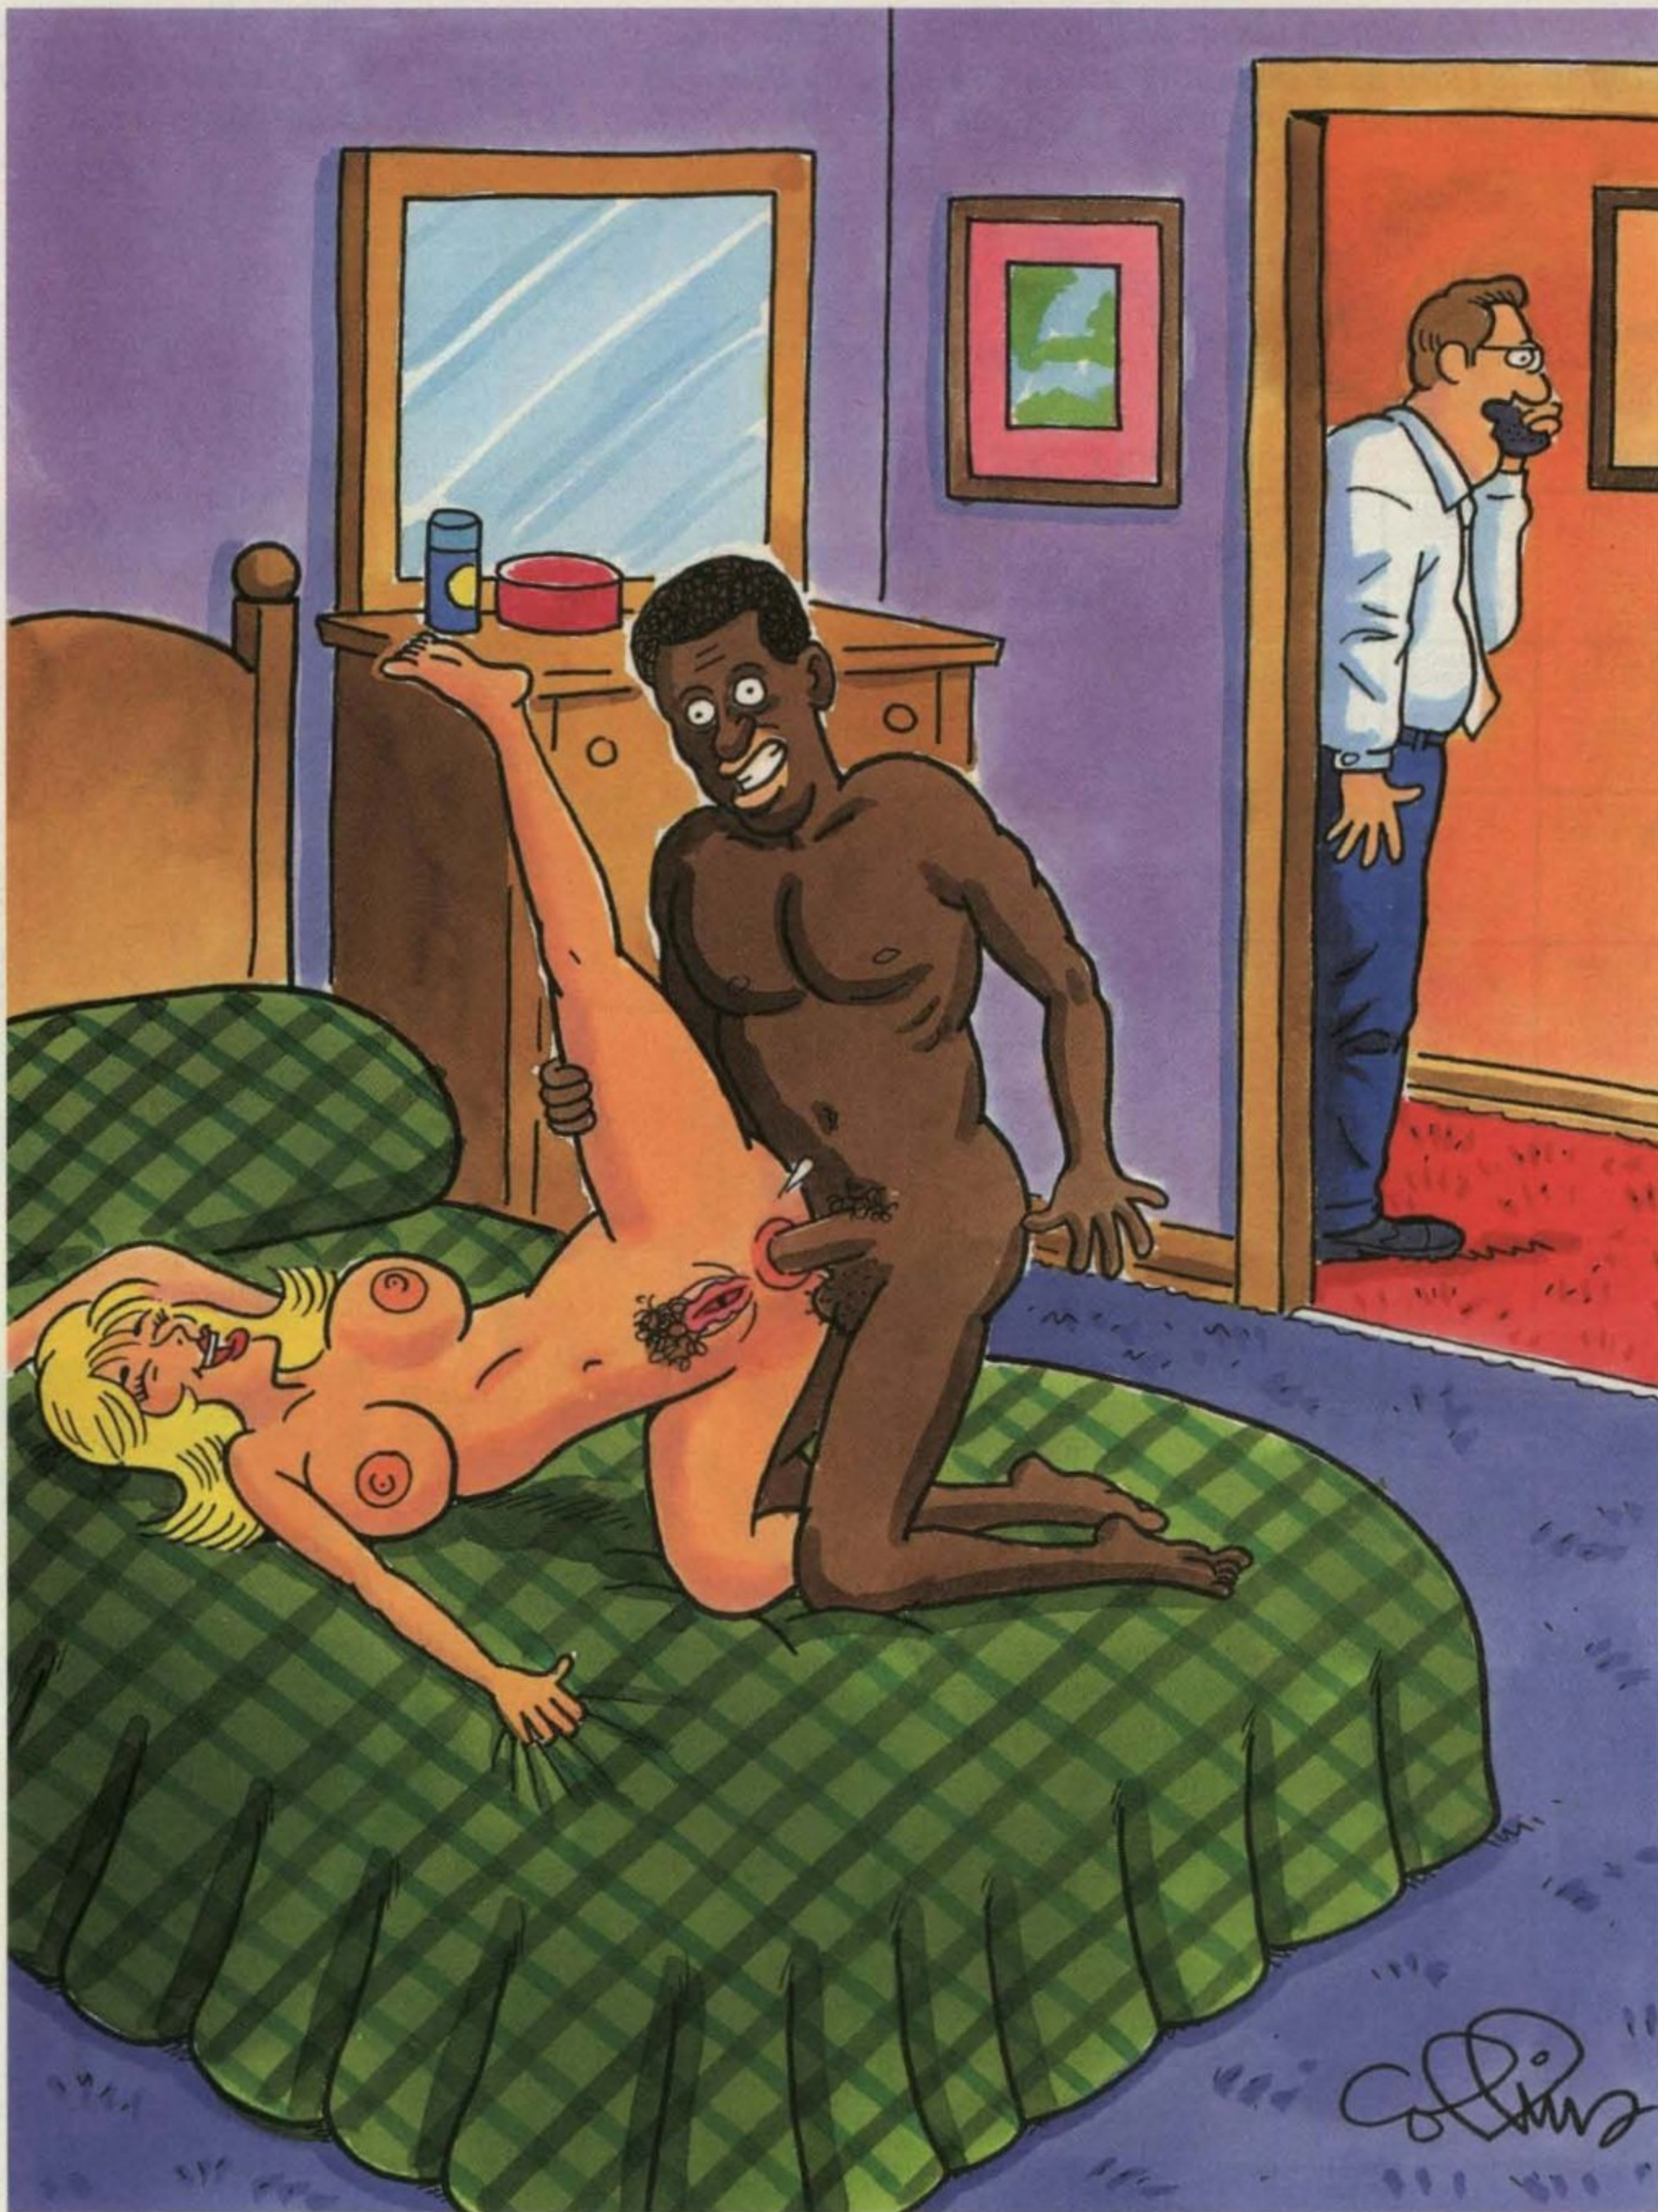

Dildos are not the only objects peep-show hams shove up their asses. "This creepy guy had a plastic tube with a light in the middle," remembers a San Fernando Valley, California, peep-show worker who goes by the stage name Topaz. "He put it up his anus, and then he shoved his ass toward me, and I could very clearly see the walls of his anal cavity."

Many dancers claim they don't mind these acts of exhibitionism because they actually break up the monotony of parading around nude in front of masturbating men all day. "My favorites are the real performance artists," says Erika Langley, author of *The Lusty Lady*, a photography book that chronicles the behind-the-scenes action of the Seattle,

Washington, peep palace of the same name, where she works. "It's entertainment for us...something really wild or far out or unusual is always shared with the rest of the [dancers on the] stage. I've seen a guy light his pubic hair on fire with a lighter. Then he kind of patted it out, and he was masturbating while he was doing it."

Occasionally, jackoff artists go too far, causing the dancers to call for security to kick them to the curb. Some men want the girls to watch them as they create messes (of the noncum variety) in the booths. "The most unusual guy I ever saw, he was very show-offy," says Queen. "The first thing he did was come in and show me photos of him and his girlfriend doing scat play. Then he said, 'Let me show you what I like to do.' He did a little shit scene, and I was all, 'Sexologically speaking, man, that's really cool, but you can't smear that around here. I'm

Pissing in front of a young, naked girl is another peep-booth standard. "They want you to watch them drink it, to see your reaction."

gonna have to ask you to stop."

Pissing in front of a young, naked girl is another peep-booth standard. "Guys would come in and urinate in a cup or a bottle," says Lilith, an ex-dancer at the Lusty Lady. "They would want you to watch them drink it. That was fairly common. They'd want to see your reaction, and frankly I just got bored; this isn't really sexy to me. It could be that their fetish was just so weird that they couldn't get it taken care of at home, and I can respect that."

Another favorite biological fluid for peep-show audience participants is semen. Instead of their own cum, they prefer to ingest the spunk of those who have jacked off before them. "Guys that were into licking the glass were called 'slugs,'" explains Queen, "because, with their tongue trails, they would look like a slug from the other side of the glass."

"Guys would especially come into the corner booth or the one-on-one talk booth, where the glass is larger," recalls Lilith. "They would come in after another man had already ejaculated in there, and they would lick the other person's cum and talk about it. They really were getting off on being seen doing that."

"We try to discourage [eating cum]," says Langley. "I think the actual HIV risk is low, but it's yucky."

According to Reno, Nevada, psychiatrist Dr. Xavier Kaye, peep-booth show-offs are attempting to affirm their manhood. "Men are exhibitionists because they are insecure about their own masculinity, and they want someone who sees their genitals to feel very startled, which confirms to them that indeed they do have a penis and testicles, and someone's reacting to them."

Kaye further explains that peep-booth exhibitionists are also gratified by the fact that their stripper audience has little choice but to watch their shenanigans. "It can be a power thing, where the exhibitionist is having some control over someone else, forcing them to do something that they may or may not want to be doing. In this case, they want to shock the dancers."

Sexologist Carol Queen has a different theory. "If you take sex into the public arena in any way, you are rebelling against the cultural notion that you probably learned at your mother's knee, that sex is private or even dirty. So you are saying, 'I don't believe that; I want to let it fly free.'"

A particularly favorite pastime of

these exhibitionists is to compel strippers to watch them shove objects up their urethras. "I was brand-new, and this guy was really intently watching me," recalls Lilith. "He was watching me and smiling and encouraging me to come closer to the window, and I did. And he was using some sort of a tube and inserting it into his urethra. He really wanted to see my reaction. That's the first time I had seen anything like that. I was very alarmed; so I just danced away from the window and moved on to some other customer."

Another masturbator is famous among Lusty Lady dancers for inserting ball bearings up his penis hole and shooting them out against the glass as he ejaculates.

While the possibilities for these perverted one-on-one performance pieces are endless, some men become extremely aroused as they beat their meats by merely revealing unusual outfits to the dancers.

"There's a guy we call 'Baby Man,' who wears diapers and has a pacifier in his mouth," says photographer and exotic dancer Langley. "There was also a cross-dresser who would have a bra and garter thing on, and he liked to jack off on a Barbie doll."

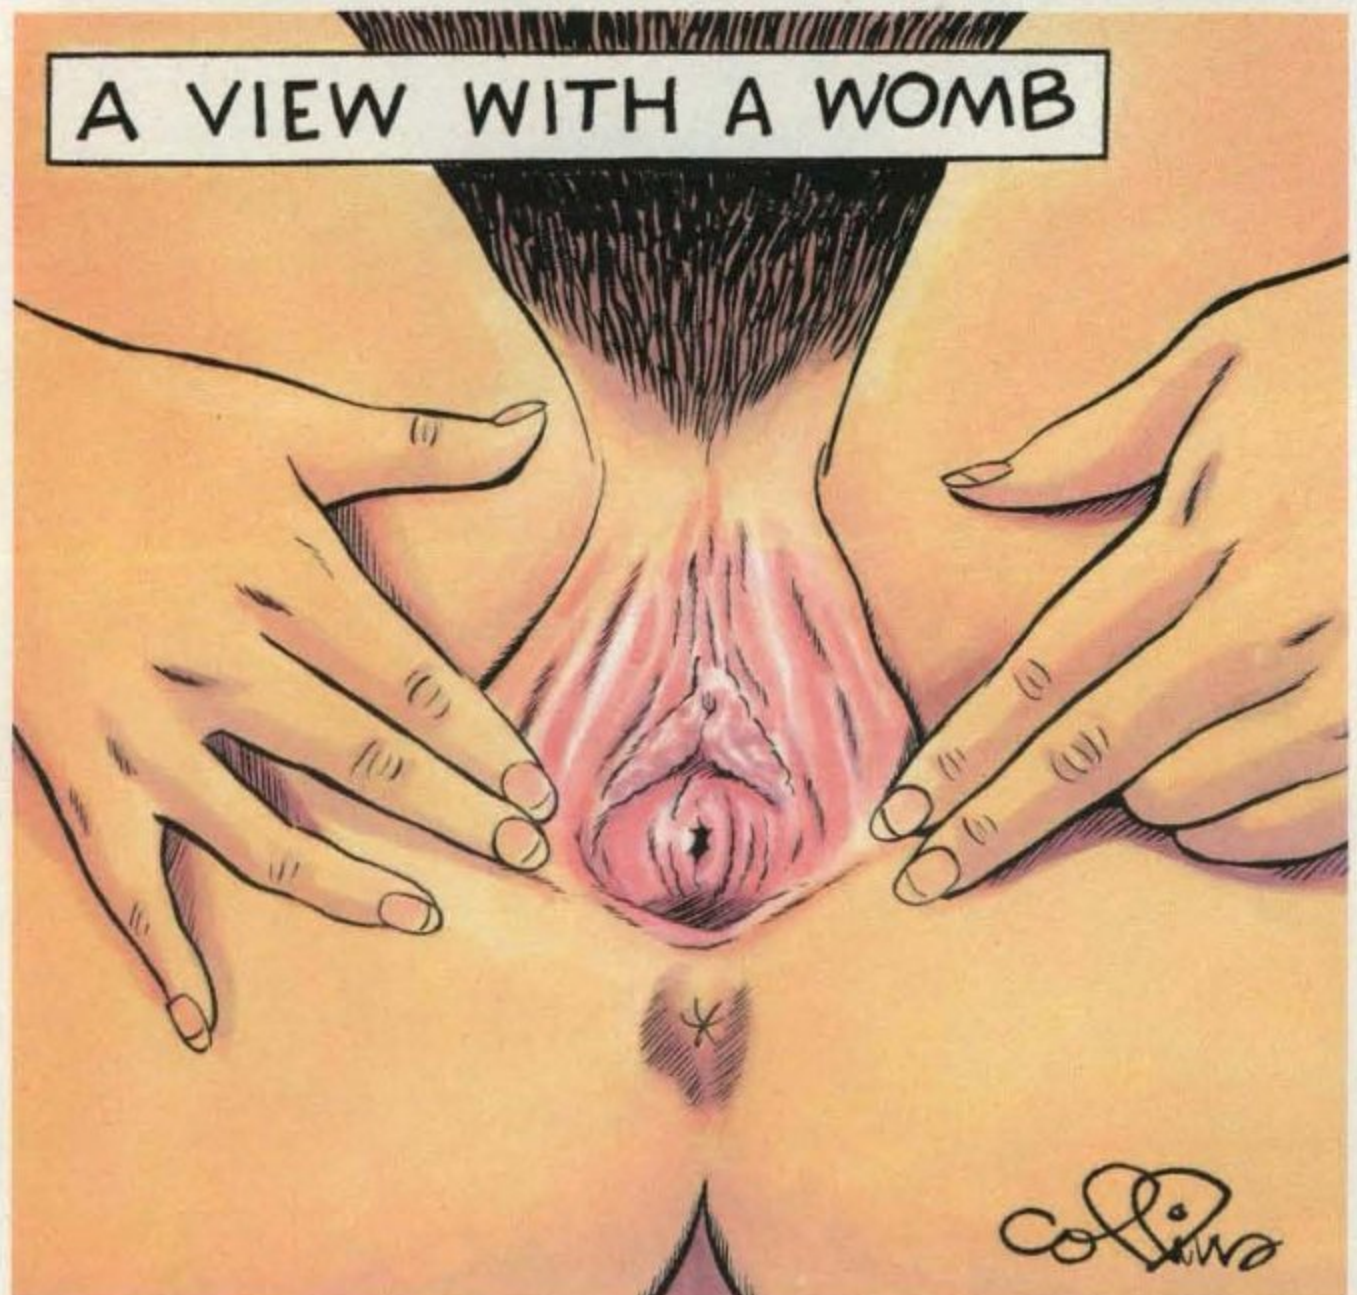

Guy Gonzales, a former mop man at Show World, a famous Times Square

peep-show establishment, remembers a businessman who went into a booth, removed his three-piece suit and changed into a Little Bo Peep number.

A 32-year-old peeper named Derek enjoyed fondling his genitalia at the Lusty Lady while wearing the purple dinosaur head from a Barney costume, until he was permanently banned from the Seattle peep house. "They actually have a Polaroid of me [without the Barney mask] that reads, 'Do Not Let This Man In,'" says the outraged exhibitionist.

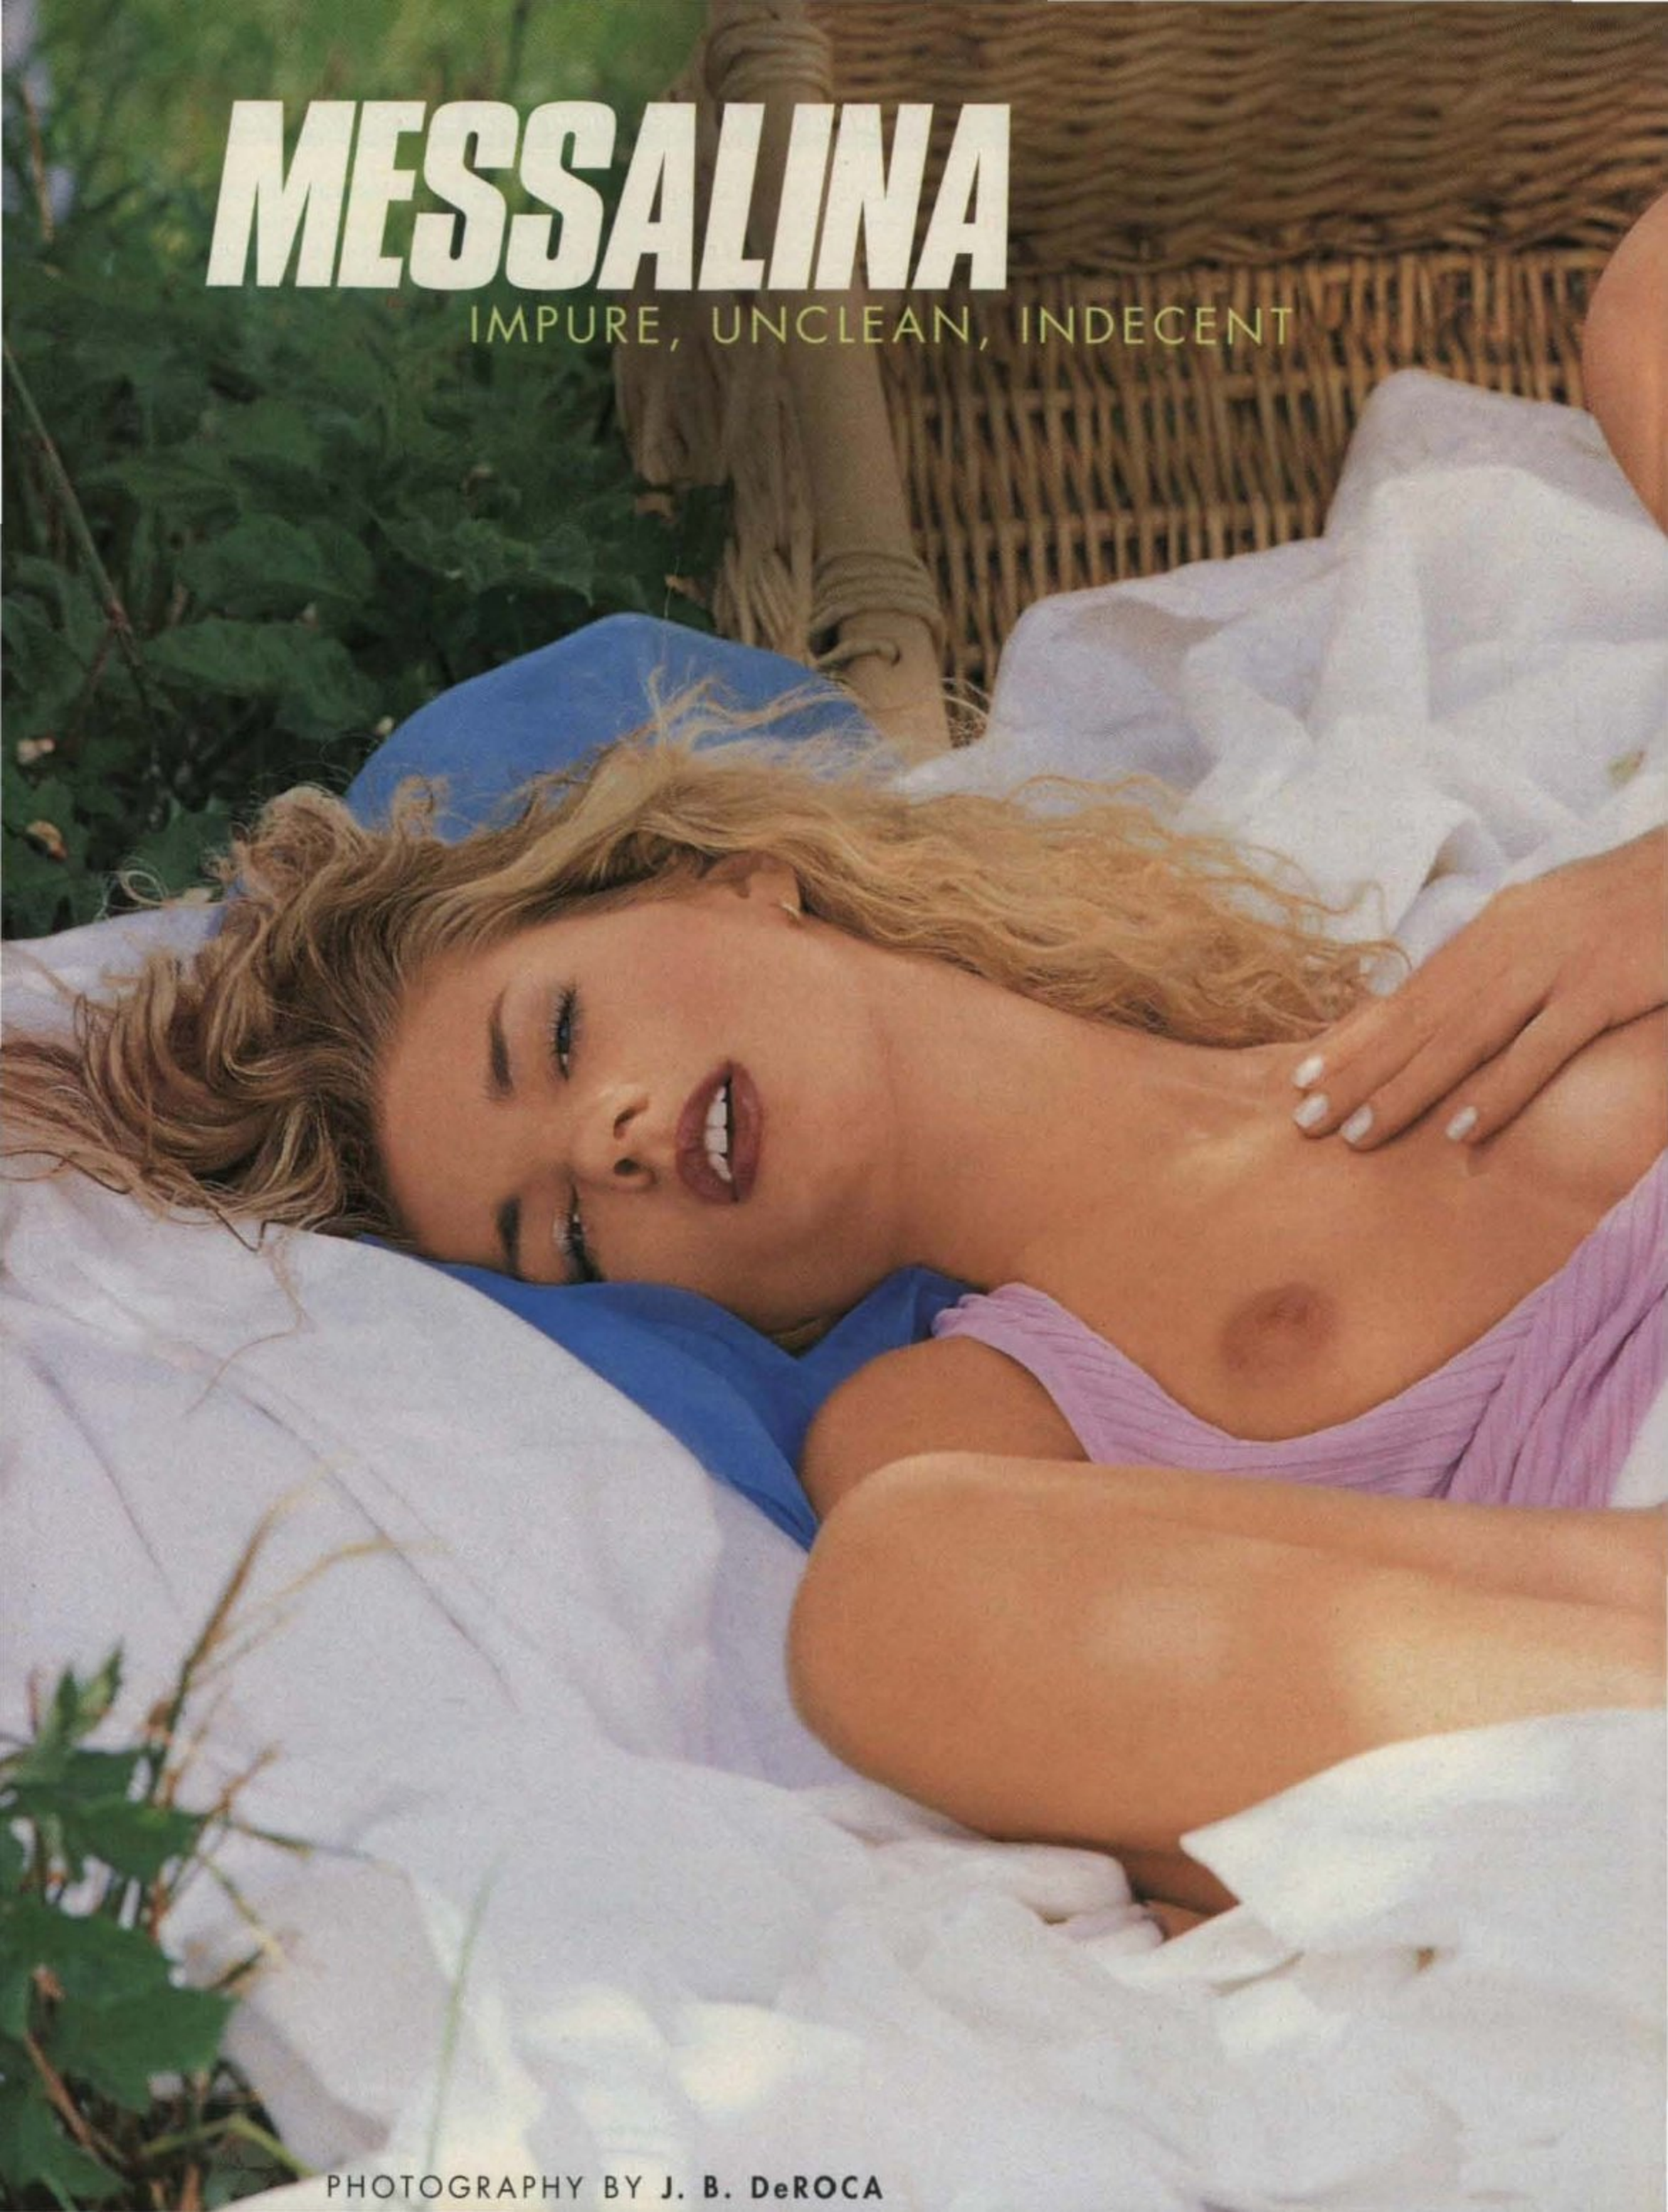

Although Derek claims his unique choice of masturbatory attire was the basis of his banishment, a Lusty Lady employee who wishes to remain anonymous explains otherwise. "He would hang out in the hallway, not even going into a booth, and start masturbating. He wanted everyone to see him jerk off—the dancers, the employees and even our paying customers."

Unlike Derek, most peeper performers are relatively considerate. "People with special needs tend to be a pretty well-behaved group," explains Langley, who maintains a philosophical attitude toward her attention-seeking patrons. "There aren't a whole lot of places you can go and do this, and it's cheaper than a therapist." 🐼

Cupid's Cooze

Readers can count the ways they love pink in HUSTLER's raw February issue. A golden-tressed history buff takes a classic vibrator from the 1920s for a shocking ride. A sulky piss queen reveals her desire to shower people with affection. A lusty blonde's mammoth jugs distract a dim-witted mook from her strap-on in a vicious Valentine's Day Assacre, and a pair of lezzie lookalikes use a taste test to suss out their differences. A tasty package filled with heart-shaped asses and candied cunts awaits viewers in the February 2002 HUSTLER.

Swing State

Florida has America's highest per-capita number of swingers clubs, a fact for which Sunshine State cops can take at least partial credit. Thanks to a misguided attempt by the Broward County Sheriff to bust a successful Fort Lauderdale club catering to "the Lifestyle," the swingers movement received a huge promotional boost. Moreover, a number of law-enforcement officials "involved" in the bust had not been part of the raiding party, and the swingers confronted the scandalized police department to win their battle. Reporter Al Hazrad's uncensored, uplifting feature chronicles the legal fireworks and seamy details of Florida's battle for swingers' rights.

Terrorism Survival

The tragedies of September 11 have put Americans on high alert for future attacks. Among the most-feared dangers are N.B.C.'s, or nuclear, biological and chemical threats. In February's issue, Features Editor Dan Kapelovitz interviews terrorism and security experts, and informs readers what to look out for and do in a worst-case scenario. Don't miss this important HUSTLER feature as the country braces for a war on terrorism that looms over the entire world.

Creme Fillings

Silly love songs take a beating in *Bits & Pieces* when exclusive photos of Paul McCartney's wedding night are unveiled. *Erotic Entertainment* drives a stake through romance's heart with a dozen malicious reviews. HUSTLER's cartoonists prove love stinks with a fetid bouquet of pictorial atrocities. Neophyte nudists who want to be yours spread wide in *Beaver Hunt*. Forget the chocolates; February's HUSTLER is loaded with the tasty box that readers really crave on Valentine's Day.
